Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Merger Agreement

As previously reported, Dell Technologies Inc. (the “Company”) is pursuing a transaction (the “Class V transaction”) in which holders of shares of Class V Common Stock, par value \$0.01 per share, of the Company (the “Class V Common Stock”) may elect to receive in exchange for each share of Class V Common Stock either (i) a specified number of shares (the “Share Consideration Exchange Ratio”) of Class C Common Stock, par value \$0.01 per share, of the Company (the “Class C Common Stock”) or (ii) a specified amount of cash, without interest (the “Cash Consideration”), subject to a maximum aggregate amount of Cash Consideration that may be received by holders of Class V Common Stock in the Class V transaction (the “Maximum Aggregate Cash Consideration”). The Class V transaction will be implemented pursuant to an Agreement and Plan of Merger, dated as of July 1, 2018 (the “Merger Agreement”), between the Company and Teton Merger Sub Inc. (“Merger Sub”), a Delaware corporation and a wholly owned subsidiary of the Company, as amended, pursuant to which Merger Sub will be merged with and into the Company (the “Merger”).

On November 14, 2018, the Company and Merger Sub entered into Amendment No. 1 to the Agreement and Plan of Merger (the “Amendment”) to amend the Merger Agreement (the Merger Agreement, as amended by the Amendment, the “Amended Merger Agreement”). The Amendment, among other things, (i) increases the Maximum Aggregate Cash Consideration from \$9 billion to \$14 billion, (ii) increases the per share Cash Consideration from \$109.00, without interest, to \$120.00, without interest, and (iii) amends the Share Consideration Exchange Ratio to be at least 1.5043 shares of Class C Common Stock per share of Class V Common Stock, subject to increase as described in the next succeeding paragraph. Under the terms and conditions of the Amended Merger Agreement, each share of Class V Common Stock will now be converted into the right to receive, at the election of the holder of such share, either (1) at least 1.5043 shares of Class C Common Stock or (2) \$120.00 in cash, without interest, subject to a Maximum Aggregate Cash Consideration of \$14 billion. This represents a 10% increase in the consideration for the Class V transaction, as well as a 56% increase in the Maximum Aggregate Cash Consideration.

In addition, unless all holders elect, or are deemed to have elected, to receive shares of Class C Common Stock as of 5:30 p.m., New York City time, on the eighth (8th) trading day following the date on which the Company issues a public announcement that the requisite stockholder approvals have been obtained (the “Election Deadline”), the Share Consideration Exchange Ratio will be increased by an amount equal to the Exchange Ratio Adjustment (as

defined below). The “Exchange Ratio Adjustment” will be a number of shares equal to (a) 0.01998 multiplied by (b) the lesser of (x) \$15.45 and (y) the amount (which may be zero but, for the avoidance of doubt, not less than zero) by which the DVMT Trading Price (as defined below) is less than \$120.00 multiplied by (c) the lesser of (x) one (1) and (y) a fraction (i) the numerator of which is equal to the aggregate amount of Cash Consideration elected by holders of the Class V Common Stock as of the Election Deadline (without giving effect to any transfers of shares of Class V Common Stock which occur after the Election Deadline) and (ii) the denominator of which is equal to the Maximum Aggregate Cash Consideration. In no event will the Share Consideration Exchange Ratio be less than 1.5043 nor more than 1.8130 shares of Class C Common Stock per share of Class V Common Stock.

The Amendment provides that the “DVMT Trading Price” will be the 17-day aggregate volume-weighted average price per share of Class V Common Stock on the New York Stock Exchange (as reported on Bloomberg) for the period of the seventeen (17) consecutive trading days ending on the date of the Election Deadline.

The Exchange Ratio Adjustment increases as the amount of Cash Consideration elected to be received by holders of Class V Common Stock as of the Election Deadline increases, and will also increase as the DVMT Trading Price decreases. The tables below illustrate the range of possible Share Consideration Exchange Ratios and corresponding ownership in the Company of the holders of Class V Common Stock immediately after closing of the Merger (the “Closing”), assuming certain DVMT Trading Prices and Cash Consideration election amounts as of the Election Deadline:

In addition, the Amendment contemplates a number of corporate governance changes that would be implemented following the Closing, including providing that, no later than June 30, 2019, (i) the Board of Directors of the Company shall appoint a fourth director who meets the independence requirements of the New York Stock Exchange (an “independent director”) to the Board after consultation with holders of Class C Common Stock and (ii) the Company shall establish a Nominating and Corporate Governance Committee of the Board. The Nominating and Corporate Governance Committee is expected to initially be comprised of Michael Dell, Egon Durban and one

independent director. The Amendment also includes changes to the amended and restated certificate of incorporation of the Company to provide for the ability of holders of Class C Common Stock, voting separately as a series, to elect one director, as described below under “Amended and Restated Charter,” beginning with the second annual meeting of stockholders of the Company following the Closing.

The Amendment also contemplates debt financing to be obtained to fund the increase in the Maximum Aggregate Cash Consideration, as described below under “Commitment Letter for Debt Financing.”

The Amendment also adds as conditions to the completion of the Class V transaction that (i) in the event the aggregate Cash Consideration elected by holders of Class V Common Stock is equal to or greater than the \$14 billion Maximum Aggregate Cash Consideration, the relevant Company subsidiaries must have received \$5 billion of gross proceeds from debt financing (or, in the event that the aggregate Cash Consideration elected by holders of Class V Common Stock is greater than the \$9 billion but less than \$14 billion, the relevant Company subsidiaries must have received an amount of gross proceeds from debt financing equal to the aggregate Cash Consideration elected by holders of Class V Common Stock, less \$9 billion), (ii) each Company subsidiary through which proceeds of such debt financing will pass in order to be received by the Company must have determined that such subsidiary meets all solvency and legal requirements to dividend, distribute, loan or otherwise transfer the proceeds of such debt financing or alternative financing that it will receive in accordance with the plan of distribution established by the Company and (iii) any transfers of Class V Common Stock following the Election Deadline but prior to Closing shall not have resulted in the aggregate number of shares of Class C Common Stock to be issued as share consideration exceeding the aggregate number of shares of Class C Common Stock registered pursuant to the Company’s Registration Statement on Form S-4.

Amended and Restated Charter. As part of the Amendment, the Board approved an amended and restated form of Fifth Amended and Restated Certificate of Incorporation of the Company (the “Amended and Restated Charter”) that will become effective at the effective time of the Merger if adopted by the Company’s stockholders in accordance with the terms of the Company’s current amended and restated certificate of incorporation. The Amended and Restated Charter amends and restates the form of Fifth Amended and Restated Certificate of Incorporation approved by the Board as part of the Merger Agreement to, among other things, (i) provide that the holders of Class C Common Stock will have the right, voting separately as a series, to elect one director, referred to as the “Group IV Director,” (ii) increase the maximum number of authorized directors to 21 directors (including the Group IV Director) and (iii) provide that the number of authorized directors from time to time will be fixed by resolution of the Board pursuant to the Amended and Restated Bylaws described below. The Group IV Director will initially be elected at the second annual meeting of stockholders of the Company occurring after the Closing. Under the Amended and Restated Charter, the board of directors will be divided into two classes consisting of the Group I Directors, who will be elected annually by the holders of the Class A Common Stock, Class B Common Stock and Class C Common Stock, voting together as a single class, and the Group IV Director, who will be elected annually, as described above, by the holders of the Class C Common Stock, voting separately as a single series. The affirmative vote of the holders of a majority of the then issued and outstanding shares of Class C Common Stock is required to amend, alter or repeal the provisions of the Amended and Restated Charter implementing the Group IV Director in a manner that would have a material adverse effect on the powers or rights of the Class C Common Stock.

The foregoing description of the Amended and Restated Charter does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended and Restated Charter, which is attached hereto as Exhibit A to the Amendment and is incorporated by reference herein.

Amended and Restated Bylaws. As part of the Amendment, the Board approved a form of amended and restated bylaws of the Company (the “Amended and Restated Bylaws”) that will be the Company’s bylaws at the effective time of the Merger. The Amended and Restated Bylaws amend and restate the Company’s current amended and restated bylaws to, among other things, (i) include provisions relating to the Group IV Director and (ii) provide that the number of authorized directors from time to time, which will be a maximum of 21 directors (including the Group IV Director), will be fixed by resolution of the Board.

The foregoing summary of the provisions of the Amended and Restated Bylaws does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended and Restated Bylaws, which is attached hereto as Exhibit B to the Amendment and is incorporated by reference herein.

The Board has unanimously (i) adopted the Amendment (including the forms of Amended and Restated Charter and Amended and Restated Bylaws) and (ii) recommended the adoption of the Amended Merger Agreement and the Amended and Restated Charter by the stockholders of the Company. The Amendment (including the forms of Amended and Restated Charter and Amended and Restated Bylaws) also has been unanimously adopted, and the Amended Merger Agreement and the Amended and Restated Charter unanimously recommended for adoption by the holders of Class V Common Stock, by a special committee of independent directors of the Board that was created to act solely in the interests of the holders of Class V Common Stock and to make recommendations to such holders.

Except as modified by the Amendment, the terms of the Merger Agreement in the form filed by the Company as Exhibit 2.1 to its Current Report on Form 8-K dated July 1, 2018 are unchanged.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment, a copy of which is filed as Exhibit 2.1 hereto and the terms of which are incorporated herein by reference.

Commitment Letter for Debt Financing

In connection with the Amendment, Dell Inc., a wholly owned subsidiary of the Company, has entered into a commitment letter, dated November 14, 2018 (the "Commitment Letter"), with Bank of America, N.A., Barclays Bank PLC, Citigroup Global Markets Inc., Credit Suisse AG, Cayman Islands Branch, Goldman Sachs Bank, USA, JPMorgan Chase Bank, N.A., Morgan Stanley Senior Funding, Inc., Deutsche Bank AG New York Branch, Royal Bank of Canada and UBS AG, Stamford Branch (collectively, the "Commitment Parties") and certain affiliates of the Commitment Parties, pursuant to which, subject to the terms and conditions set forth therein, the Commitment Parties have committed to provide up to \$5 billion principal amount of incremental debt financing (the "incremental term loan facility") under the credit agreement, dated as of September 7, 2016, by and among Denali Intermediate Inc., Dell Inc., Dell International L.L.C., EMC Corporation (as successor to Universal Acquisition Co.), Credit Suisse AG, Cayman Islands Branch, as Term Loan B administrative agent and collateral agent, JPMorgan Chase Bank, N.A., as Term Loan A/Revolver administrative agent, and the lenders party thereto (as may be amended, supplemented or modified from time to time). The Commitment Letter also contemplates that, in lieu of the incremental term loan facility, the Company or one or more of its subsidiaries may obtain alternate debt financing, the proceeds of which will reduce commitments in respect of the incremental term loan facility on a dollar-for-dollar basis. The funding of the incremental term loan facility is contingent on the satisfaction of customary conditions, including the approval of the transactions contemplated by the Amended Merger Agreement by the stockholders of the Company. The proceeds of the incremental term loan facility and/or any alternate debt financing, together with Dell Technologies' pro rata portion of the special cash dividend to be paid by VMware, Inc. in connection with the Class V transaction, and cash on hand at the Company and its subsidiaries, will be used to fund (i) the Maximum Aggregate Cash Consideration and (ii) the fees and expenses incurred in connection with the transactions contemplated by the Amended Merger Agreement.

Certain of the Commitment Parties and/or their affiliates have provided the Company and its affiliates with financial advisory, commercial banking and investment banking services.

Investor Voting and Support Agreements

On November 14, 2018, the Company entered into Voting and Support Agreements (the "Investor Voting and Support Agreements") with Elliott Associates L.P., Elliott International L.P., Dodge & Cox, Mason Capital Master Fund, LP and Canyon Capital Advisors, LLC (collectively, the "Supporting Stockholders"). Subject to the terms and conditions set forth therein, each Supporting Stockholder has agreed, among other things, to vote the shares of the Company's capital stock over which it has voting power (i) in favor of the Merger and the adoption of the Amended Merger Agreement and each of the transactions contemplated by the Amended Merger Agreement, including the adoption of the Amended and Restated Charter, and (ii) against any action that could reasonably be expected to

impede, interfere with, delay, postpone or adversely affect the Merger or the other transactions contemplated by the Amended Merger Agreement in any material respect. The Investor Voting and Support Agreements also contain restrictions on the transfer of voting rights of the Company's capital stock by the Supporting Stockholders and the solicitation by the Supporting Stockholders of holders of the Company's capital stock to vote in opposition to the Class V transaction, in each case, until the earlier of (a) the consummation of the Merger and (b) the date on which the Amended Merger Agreement is terminated in accordance with its terms without the Merger having occurred.

Waiver by VMware

As previously reported, the Company entered into a letter agreement (the "VMware Letter") with VMware, Inc. ("VMware") on July 1, 2018. Subject to the terms and conditions set forth therein, the Company agreed, among other things, (i) to use its reasonable best efforts to consummate the Merger on the same date that the Company receives the special cash dividend from VMware and (ii) not to terminate the Merger Agreement by mutual consent with Merger Sub without VMware's consent.

On November 14, 2018, the Company and VMware entered into a waiver (the "VMware Waiver"), pursuant to which VMware waived certain provisions of the VMware Letter that restricted the ability of the Company to enter into the Amendment. Pursuant to the VMware Waiver, the Company further agreed to waive the provisions of the VMware Letter that would otherwise restrict the ability of the board of directors of VMware to approve resolutions reaffirming VMware's declaration of the special dividend and related matters.

Subject only to material adverse changes in such Company Subsidiary’s financial condition or changes in applicable Law, following receipt of the Debt Financing and/or the Pro Rata Special Dividend Amount by such Company Subsidiary, as applicable, such Company Subsidiary will have adequate lawful funds to make such distribution or other payment of the gross proceeds of the Debt Financing and/or the Pro Rata Special Dividend Amount, as applicable, and such distribution or other payment of the gross proceeds of the Debt Financing and/or the Pro Rata Special Dividend Amount, as applicable, will not violate or result in a breach of applicable Law, the organizational documents of such Company Subsidiary, any Contract related to indebtedness of the Company or its Subsidiaries or any other Contract that is material to the Company and its Subsidiaries, taken as a whole.”

6. Amendment of Section 3.01. Section 3.01 of the Merger Agreement is hereby amended by inserting the following sub-Section after Section 3.01(i):

Section 3.01(j) Debt Financing. The Company and/or the Borrowers have received the executed Debt Commitment Letter. A true, correct and complete copy of the Debt Financing Commitment has been delivered to the Special Committee on November 14, 2018, and there have been no amendments or modifications to the Debt Commitment Letter since November 14, 2018. The Debt Financing Commitment (i) has been duly executed by each Borrower and, to the Knowledge of the Company, each of the other parties thereto, (ii) is in full force and effect and (iii) constitutes a valid and binding obligation of each Borrower and, to the Knowledge of the Company, the other parties thereto, enforceable against each Borrower and, to the Knowledge of the Company, each of the other parties thereto in accordance with its terms and conditions, subject to the Bankruptcy and Equity Exception. The Debt Financing Commitment contains all of the conditions precedent to the obligations of the parties thereunder to make the Debt Financing available to the Borrowers on the terms therein. As of November 14, 2018, other than customary fee letters, there are no side letters or other agreements, Contracts or arrangements related to the Debt Financing, other than as expressly set forth in the Debt Financing Commitment. Assuming the satisfaction of the conditions set forth in Article V, no event, fact or circumstance has occurred that, with or without notice, lapse of time, or both, would reasonably be expected to constitute a default or breach on the part of the Company and/or the Borrowers under the Debt Financing Commitment. The Company has paid (or caused to be paid) in full any and all commitment fees or other fees required to be paid pursuant to the terms of the Debt Financing Commitment on or before November 14, 2018. As of November 14, 2018, assuming the satisfaction of the conditions set forth in Article V, the Company has no reason to believe that it and/or the Borrowers will be unable to satisfy on a timely basis any term or condition of closing to be satisfied by it and/or them contained in the Debt Financing Commitment or that the Debt Financing will not be made available to the Borrowers on or prior to the Closing Date.

7. **Amendment of Article IV.** Article IV of the Merger Agreement is hereby amended by inserting the following Sections after Section 4.08:

Section 4.09 Debt Financing.

(a) The Company shall use its reasonable best efforts to obtain, or cause to be obtained, \$5,000,000,000 of Debt Financing on the terms and conditions set forth in the Debt Financing Commitment as promptly as reasonably practicable and shall not, without the Special Committee's prior written consent, permit any amendment or modification to be made to, or any waiver of any provision under, the Debt Financing Commitment, if such amendment, modification or waiver (i) reduces (or could have the effect of reducing) the aggregate amount of the Debt Financing (including by increasing the amount of fees to be paid or original issue discount in respect of the Debt Financing) or (ii) imposes new or additional conditions or otherwise expands, amends or modifies any of the conditions to the Debt Financing, or otherwise expands, amends or modifies any other provision of the Debt Financing Commitment, in a manner that would reasonably be expected to (x) materially delay or prevent or make less likely the funding of the Debt Financing (or satisfaction of the conditions to the Debt Financing) on the Closing Date or (y) adversely impact the ability of the Company and/or the Borrowers to enforce their respective rights against other parties to the Debt Financing Commitment or the definitive agreements with respect thereto, in each case, relating to the funding thereunder. For the avoidance of doubt, it is understood and agreed that the Company, without the consent of the Special Committee, may amend the Debt Financing in any manner the Company Board determines is in the best interests of the Company (including to add lenders, arrangers, bookrunners, agents, managers or similar entities that have not executed the Debt Financing Commitment and amend the economic and other arrangements with respect to the existing and additional lenders, arrangers, bookrunners, agents, managers or similar entities) so long as such amendment would not reasonably be expected to (x) materially delay or prevent or make less likely the funding of the Debt Financing (or satisfaction of the conditions to the Debt Financing) on or prior to the Closing Date, (y) adversely impact the ability of the Company and/or the Borrowers to enforce their respective rights against other parties to the Debt Financing Commitment or the definitive agreements with respect thereto, in each case, relating to the funding thereunder or (z) result in the net proceeds of the Debt Financing being made available to the Borrowers or any of their Affiliates, as applicable, in an amount which is not sufficient to satisfy the condition set forth in Section 5.01(e)(iii).

(b) The Company shall use its reasonable best efforts (i) to maintain in effect the Debt Financing Commitment until the transactions contemplated by this Agreement are consummated or, if earlier, the Company has received net proceeds of the Debt Financing (including any Alternative Financing) in an amount which is sufficient to satisfy the condition set forth in Section 5.01(e)(iii), (ii) to negotiate and enter into definitive agreements with respect to the Debt Financing on the terms and conditions contained in the Debt Financing Commitment (on terms and conditions that, taken as a whole, are no less favorable to the Company than the terms and conditions contained in the Debt Financing Commitment), (iii) to satisfy (or obtain a waiver of) on a timely basis or cause the satisfaction (or waiver) on a timely basis of all conditions to funding in the Debt Financing Commitment and such definitive agreements with respect thereto applicable to the Company and/or the Borrowers that are to be satisfied by the Company and/or the Borrowers and consummate the Debt Financing and (iv) to comply with all of its obligations under the Debt Financing Commitment. Prior to the Closing, the Company shall give the Special Committee prompt notice (x) of any breach or default (or any event that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any default or breach) by any party to the Debt Financing Commitment or definitive agreements related to the Debt Financing of which the Company becomes aware, if such breach or default would reasonably be expected to affect the timely availability of, or the amount of, the Debt Financing, (y) of the receipt of any written notice or other written communication from any financing source with respect to any (1) actual or alleged breach, default, termination or repudiation by any party to the Debt Commitment Letter or definitive agreements related to the Debt Financing or (2) material dispute or disagreement between or among any parties to the Debt Financing Commitment or definitive agreements related to the Debt Financing, in each case, that would reasonably be expected to affect the timely availability of, or the amount of, the Debt Financing, and (z) if at any time for any reason the Company believes in good faith that it will not be able to obtain all or any portion of the Debt Financing on the terms and conditions, in the manner or from the sources contemplated by the Debt Financing Commitment or definitive agreements related to the Debt Financing. If the Company so elects in its sole discretion (but subject to the requirements set forth in the definition of “Alternative Financing”) or otherwise upon the occurrence of any circumstance referred to in clauses (x), (y) or (z) of the preceding sentence, or if any portion of the Debt Financing otherwise becomes unavailable on the terms and conditions contemplated in the Debt Financing Commitment or the Company becomes aware of any event or circumstance that would reasonably be expected to make any portion of the Debt Financing becoming unavailable on the terms and conditions contemplated in the Debt Financing Commitment, the Company shall use its reasonable best efforts to arrange and obtain in replacement thereof Alternative Financing as promptly as reasonably practicable following the occurrence of such event. The Company shall deliver to the Special Committee true, correct and complete copies of the new financing commitment letter and related fee letter pursuant to which any such alternative source shall have committed to provide any portion of the Alternative Financing.

(c) In the event the Company obtains Alternative Financing, references to the “Debt Commitment Letter,” the “Debt Financing Commitment” and the “Debt Financing” (and other like terms in this Agreement (including, for the avoidance of doubt, in this Section 4.09 and in Section 5.01(e)(iii)) shall be deemed to refer to such Alternative Financing as so amended, replaced, supplemented, modified or waived.

Section 4.10 Independent Director. The Company shall appoint a fourth independent director who meets the independence requirements of the NYSE to the Company Board. Such director shall be appointed no later than June 30, 2019 after consultation with holders of Class C Common Stock.

Section 4.11 Nominating and Corporate Governance Committee. No later than June 30, 2019, the Company shall establish a Nominating and Corporate Governance Committee of the Company Board (the “Nominating and Corporate Governance Committee”). The Nominating and Corporate Governance Committee shall at all times include one director who meets the independence requirements of the NYSE and shall initially be comprised of Michael Dell (who shall be the Chairman of the Nominating and Corporate Governance Committee), Egon Durban and one independent director who meets the independence requirements of the NYSE. The Nominating and Corporate Governance Committee shall, in addition to any other responsibilities delegated by the Company Board to the Nominating and Corporate Governance Committee, select, or recommend that the Company Board select, the Group IV Director (as defined in the Amended and Restated Charter) nominee for election or re-election to the Company Board at each annual meeting of stockholders of the Company, beginning with the second annual meeting of stockholders of the Company occurring after Closing.

8. **Amendment of Section 5.01(c).** Section 5.01(c) of the Merger Agreement is hereby amended and restated in its entirety to read as follows:

(c) **Distribution of Special Dividend and Debt Financing.** (i) As of the Dividend Payment Date, the board of directors or other applicable governance body of all of the Vail Common Stockholders or other Company Subsidiaries through which payments of the proceeds of the Special Dividend and the Debt Financing will pass in order to be received by the Company in accordance with the Company’s good faith plan for directly or indirectly transferring such proceeds to the Company (the “Company Distribution Plan”), shall, in each case, have determined that such Vail Common Stockholder or other Company Subsidiary, as applicable, meets all solvency and legal requirements (including capital adequacy, to the extent applicable) to dividend, distribute, loan or otherwise transfer the proceeds that it receives in accordance with the Company Distribution Plan, and (ii) the Special Dividend shall have been paid to the Company Subsidiaries that are Vail Common Stockholders.

9. **Amendment of Section 5.01(e).** Section 5.01(e) of the Merger Agreement is hereby amended and restated in its entirety to read as follows:

(iii) In the event that the Cash Election Amount is (1) equal to or greater than \$14,000,000,000, the Borrowers or their Affiliates shall have received or will receive, concurrently with the Closing, \$5,000,000,000 of gross proceeds from the Debt Financing or any Alternative Financing or (2) greater than \$9,000,000,000 but less than \$14,000,000,000, the Borrowers or their Affiliates shall have received or will receive, concurrently with the Closing, an amount of gross proceeds from the Debt Financing or any Alternative Financing equal to the Cash Election Amount less \$9,000,000,000. For the avoidance of doubt, if the Cash Election Amount is less than or equal to \$9,000,000,000, then this Section 5.01(e)(iii) shall not apply and there shall be no condition related to the Debt Financing or any Alternative Financing.

10. **Amendment of Section 7.03.**

(a) The definition of “Election Deadline” in Section 7.03 is hereby amended and restated in its entirety to read as follows:

“Election Deadline” means 5:30 p.m., New York City time, on the eighth (8th) trading day following the date on which the Company issues a public announcement that the Stockholder Approvals have been obtained. (a) DHI Common Stock. One series of common stock of the Corporation is designated as “Class A Common Stock” consisting of six-hundred million (600,000,000) shares, par value \$0.01 per share (the “Class A Common Stock”); one series of common stock of the Corporation is designated as “Class B Common Stock” consisting of two-hundred million (200,000,000) shares, par value \$0.01 per share (the “Class B Common Stock”); one series of common stock of the Corporation is designated as “Class C Common Stock” consisting of seven billion, nine-hundred million (7,900,000,000) shares, par value \$0.01 per share (the “Class C Common Stock”); and one series of common stock of the Corporation is designated as “Class D Common Stock,” and together with the Class A Common Stock, the Class B Common Stock and the Class C Common Stock, the “DHI Common Stock”).

(b) Class V Common Stock. One series of common stock of the Corporation is designated as “Class V Common Stock” consisting of three-hundred forty-three million, twenty-five thousand, three hundred and eight (343,025,308) shares, par value \$0.01 per share (the “Class V Common Stock”). Each share of Class V Common Stock shall be identical in all respects and will have equal rights, powers and privileges to each other share of Class V Common Stock. From and after the time of effectiveness of this Fifth Amended and Restated Certificate of Incorporation, the Corporation shall not issue any shares of Class V Common Stock.

(c) [Reserved].

(d) Restrictions on Corporate Actions.

(1) From the Effective Date through the two-year anniversary of the Effective Date, the Corporation and its Subsidiaries will not purchase or otherwise acquire any shares of common stock of VMware if such acquisition would cause the common stock of VMware to no longer be publicly traded on a U.S. securities exchange or VMware to no longer be required to file reports under Sections 13 and 15(d) of the Securities Exchange Act of 1934, in each case unless such acquisition of VMware common stock is required in order for VMware to continue to be a member of the affiliated group of corporations filing a consolidated tax return with the Corporation for purposes of Section 1502 of the Internal Revenue Code and the regulations thereunder.

(2) For so long as any shares of Class V Common Stock remain outstanding, the Corporation shall not authorize or issue any class or series of common stock (other than (i) Class V Common Stock or (ii) common stock of the Corporation with an Inter-Group Interest in the Class V Group) intended to reflect an economic interest of the Corporation in assets comprising the Class V Group, including common stock of VMware.

(e) Dividends. Subject to the provisions of any Preferred Stock Series Resolution:

(1) Dividends on Class V Common Stock.

(A) Dividends on the Class V Common Stock may be declared and paid only out of the lesser of (i) the assets of the Corporation legally available therefor and (ii) the Class V Group Available Dividend Amount.

(B) If the Number of Retained Interest Shares is greater than zero on the record date for any dividend on the Class V Common Stock, then concurrently with the payment of any dividend on the outstanding shares of Class V Common Stock:

(I) if such dividend consists of cash, Publicly Traded securities (other than shares of Class V Common Stock) or other assets, the Corporation will attribute to the DHI Group (a “Retained Interest Dividend”) an aggregate amount of cash, securities or other assets, or a combination thereof, at the election of the Board of Directors (the “Retained Interest Dividend Amount”), with a Fair Value equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Retained Interest Shares as of the record date for such dividend, by (y) a fraction, the numerator of which is the Fair Value of such dividend payable to the holders of outstanding shares of Class V Common Stock, as determined in good faith by the Board of Directors, and the denominator of which is the number of shares of Class V Common Stock outstanding as of such record date; or

(II) if such dividend consists of shares of Class V Common Stock (including dividends of Convertible Securities convertible or exchangeable or exercisable for shares of Class V Common Stock), the Number of Retained Interest Shares will be increased by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Retained Interest Shares as of the record date for such dividend, by (y) the number of shares (including any fraction of a share) of Class V Common Stock issuable to a holder for each outstanding share of Class V Common Stock in such dividend.

In the case of a dividend paid pursuant to Section 5.2(m)(3)(D), in connection with a Class V Group Disposition, the Retained Interest Dividend Amount may be increased, at the election of the Board of Directors, by the aggregate amount of the dividend that would have been payable with respect to the shares of Class V Common Stock converted into Class C Common Stock in connection with such Class V Group Disposition if such shares were not so converted and received the same dividend per share as the other shares of Class V Common Stock received in connection with such Class V Group Disposition.

A Retained Interest Dividend may, at the discretion of the Board of Directors, be reflected by an allocation or by a direct transfer of cash, securities or other assets, or a combination thereof, and may be payable in kind or otherwise.

(2) Dividends on DHI Common Stock.

(A) Dividends on the DHI Common Stock may be declared and paid only out of the lesser of (i) the assets of the Corporation legally available therefor and (ii) the DHI Group Available Dividend Amount.

(B) Subject to the provisions of any Preferred Stock Series Resolution, if any, outstanding at any time, the holders of Class A Common Stock, the holders of Class B Common Stock, the holders of Class C Common Stock and the holders of Class D Common Stock shall be entitled to share equally, on a per share basis, in such dividends and other distributions of cash, property or shares of stock of the Corporation as may be declared by the Board of Directors from time to time with respect to the DHI Common Stock out of the assets or funds of the Corporation legally available therefor; provided, however, that in the event that any such dividend is paid in the form of shares of DHI Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of DHI Common Stock, the holders of Class A Common Stock shall receive Class A Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class A Common Stock, as the case may be, the holders of Class B Common Stock shall receive Class B Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class B Common Stock, as the case may be, the holders of Class C Common Stock shall receive Class C Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class C Common Stock, as the case may be, and the holders of Class D Common Stock shall receive Class D Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class D Common Stock, as the case may be.

(C) Dividends of Class V Common Stock (or dividends of Convertible Securities convertible into or exchangeable or exercisable for shares of Class V Common Stock) may be declared and paid on the DHI Common Stock if the Number of Retained Interest Shares is greater than zero on the record date for any such dividend, but only if the sum of:

(I) the number of shares of Class V Common Stock to be so issued (or the number of such shares that would be issuable upon conversion, exchange or exercise of any Convertible Securities to be so issued); and

(II) the number of shares of Class V Common Stock that are issuable upon conversion, exchange or exercise of any Convertible Securities then outstanding that are attributed as a liability to, or an equity interest in, the DHI Group is less than or equal to the Number of Retained Interest Shares.

(3) Discrimination between DHI Common Stock and Class V Common Stock. The Board of Directors shall have the authority and discretion to declare and pay (or to refrain from declaring and paying) dividends on outstanding shares of Class V Common Stock and dividends on outstanding shares of DHI Common Stock, in equal or unequal amounts, or only on the DHI Common Stock or the Class V Common Stock, irrespective of the amounts (if any) of prior dividends declared on, or the respective liquidation rights of, the DHI Common Stock or the Class V Common Stock, or any other factor.

(f) Liquidation and Dissolution.

(1) *General.* In the event of a liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and liabilities of the Corporation and payment or provision for payment of any preferential amount due to the holders of any other class or series of stock as to payments upon dissolution of the Corporation (regardless of the Group to which such shares are attributed), the holders of shares of DHI Common Stock and the holders of shares of Class V Common Stock shall be entitled to receive their proportionate interests in the assets of the Corporation remaining for distribution to holders of stock (regardless of the class or series of stock to which such assets are then attributed) in proportion to the respective number of liquidation units per share of DHI Common Stock and Class V Common Stock.

Neither (i) the consolidation or merger of the Corporation with or into any other Person or Persons, (ii) a transaction or series of related transactions that results in the transfer of more than 50% of the voting power of the Corporation nor (iii) the sale, transfer or lease of all or substantially all of the assets of the Corporation shall itself be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this [Section 5.2\(f\)](#).

(2) *Liquidation Units.* The liquidation units per share of Class V Common Stock in relation to the DHI Common Stock shall be as follows:

(A) each share of DHI Common Stock shall have one liquidation unit; and

(B) each share of Class V Common Stock shall have a number of liquidation units (including a fraction of one liquidation unit) equal to the amount (calculated to the nearest five decimal places) obtained by dividing (x) the Average Market Value of a share of Class V Common Stock over the 10-Trading Day period commencing on (and including) the first Trading Day on which the Class V Common Stock trades in the “regular way” market, by (y) the Average Market Value of a share of Class C Common Stock over the same 10-Trading Day period (unless such shares of Class C Common Stock are not Publicly Traded, in which case the Fair Value of a share of Class C Common Stock, determined as of the fifth Trading Day of such period, shall be used for purposes of (y));

provided, that if, after the Effective Date, the Corporation, at any time or from time to time, subdivides (by stock split, reclassification or otherwise) or combines (by reverse stock split, reclassification or otherwise) the outstanding shares of Class C Common Stock or Class V Common Stock, or declares and pays a dividend or distribution in shares of Class C Common Stock or Class V Common Stock to holders of Class C Common Stock or Class V Common Stock, as applicable, the per share liquidation units of the Class C Common Stock or Class V Common Stock, as applicable, will be appropriately adjusted as determined by the Board of Directors, so as to avoid any dilution or increase in the aggregate, relative liquidation rights of the shares of Class C Common Stock and Class V Common Stock.

Whenever an adjustment is made to liquidation units under this [Section 5.2\(f\)](#), the Corporation will promptly thereafter prepare and file a statement of such adjustment with the Secretary of the Corporation. Neither the failure to prepare nor the failure to file any such statement will affect the validity of such adjustment.

(g) Subdivision or Combinations. If the Corporation in any manner subdivides or combines the outstanding shares of any series of DHI Common Stock, the outstanding shares of the other series of DHI Common Stock will be subdivided or combined in the same manner.

(h) Voting Rights.

(1) *Voting Generally.* Subject to [Article VI](#), (i) each holder of record of Class A Common Stock shall be entitled to ten (10) votes per share of Class A Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; (ii) each holder of record of Class B Common Stock shall be entitled to ten (10) votes per share of Class B Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; (iii) each holder of record of Class C Common Stock shall be entitled to one vote per share of Class C Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; (iv) each holder of record of Class D Common Stock shall not be entitled to any vote on any matter except to the extent required by provisions of Delaware law (in which case such holder

shall be entitled to one vote per share of Class D Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote); and (v) each holder of record of Class V Common Stock shall be entitled to one vote per share of Class V Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote. Except (A) as may otherwise be provided in this Certificate of Incorporation, or (B) as may otherwise be required by the laws of the State of Delaware, the holders of shares of all classes of Common Stock will vote as one class with respect to the election of Group I Directors (as defined below) and with respect to all other matters to be voted on by stockholders of the Corporation; provided, that the holders of Class A Common Stock (and no other classes of Common Stock) will vote as one class with respect to the election of Group II Directors (as defined below), the holders of Class B Common Stock (and no other classes of Common Stock) will vote as one class with respect to the election of Group III Directors (as defined below), and the holders of Class C Common Stock (and no other classes of Common Stock) will vote as one class with respect to the election of the Group IV Director (as defined below).

(2) Special Voting Rights.

(A) If the Corporation proposes to (i) amend this Certificate of Incorporation (A) in any manner that would alter or change the powers, preferences or special rights of the shares of Class V Common Stock so as to affect them adversely or (B) to make any amendment, change or alteration to the restrictions on corporate actions described in Section 5.2(d), in each case whether by merger, consolidation or otherwise, or (ii) effect any merger or business combination as a result of which (A) the holders of all classes and series of Common Stock shall no longer own at least 50% of the voting power of the surviving corporation or of the direct or indirect parent corporation of such surviving corporation and (B) the holders of Class V Common Stock do not receive consideration of the same type as the other classes or series of Common Stock and, in aggregate, equal to or greater in value than the proportion of the average of the aggregate Fair Value of the outstanding Class V Common Stock over the 30-Trading Day period ending on the Trading Day preceding the date of the first public announcement of such merger or business combination to the aggregate Fair Value of the other outstanding classes or series of Common Stock over the same 30-Trading Day period (unless such securities are not Publicly Traded, in which case the aggregate Fair Value of such securities shall be determined as of the fifth Trading Day of such period), then in each case, such action will be subject to receipt by the Corporation of, and will not be undertaken unless the Corporation has received, the affirmative vote of the holders of record (other than shares held by the Corporation's Affiliates), as of the record date for the meeting at which such vote is taken, of Class V Common Stock representing a majority of the aggregate voting power (other than shares held by the Corporation's Affiliates) of Class V Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon, voting together as a separate class. Any vote taken pursuant to this Section 5.2(h)(2)(A) will be in addition to, and not in lieu of, any vote of the stockholders of the Corporation required by law to be taken with respect to the applicable action.

(B) For so long as any shares of Class V Common Stock remain outstanding, Section 4.02 of the Bylaws shall not be amended or repealed (A) by the stockholders of the Corporation unless such action has received the affirmative vote of the holders of record (other than shares held by the Corporation's Affiliates), as of the record date for the meeting at which such vote is taken, of (i) Class V Common Stock representing a majority of the aggregate voting power (other than shares held by the Corporation's Affiliates) of Class V Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon, voting together as a separate class, and (ii) Common Stock representing a majority of the aggregate voting power of Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon or (B) by any action of the Board of Directors.

(C) Except as expressly provided herein, no class or series of Common Stock shall be entitled to vote as a separate class on any matter except to the extent required by provisions of Delaware law. Irrespective of the provisions of Section 242(b)(2) of the Delaware General Corporation Law, the holders of shares of DHI Common Stock and the holders of shares of Class V Common Stock will vote as one class with respect to any proposed amendment to this Certificate of Incorporation that (i) would increase (x) the number of authorized shares of common stock or any class or series thereof, (y) the number of authorized shares of preferred stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established, or (ii) decrease (x) the number of authorized shares of common stock or any class or series thereof, (y) the number of authorized shares of preferred stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established (but, in each case, not below the number of shares of such class or series of capital stock then outstanding), and no separate class or series vote of the holders of shares of

any class or series of capital stock of the Corporation will be required for the approval of any such matter; provided, that this Section 5.2(h)(2)(C) shall only apply to a proposed increase in the number of authorized shares of Class V Common Stock when such increase has received the approval of the Capital Stock Committee of the Board of Directors in such circumstances and as provided in the Bylaws.

(i) Equal Status. Except as expressly provided in this Article V and in Article VI, Class A Common Stock, Class B Common Stock, Class C Common Stock and Class D Common Stock shall have the same rights and privileges and rank equally, share ratably on a per share basis and be identical in all respects as to all matters. Without limiting the generality of the foregoing, (i) in the event of a merger, consolidation or other business combination requiring the approval of the holders of the Corporation's capital stock entitled to vote thereon (whether or not the Corporation is the surviving entity), each holder of DHI Common Stock shall have the right to receive, or the right to elect to receive, the same amount and form of consideration, if any, on a per share basis, as each other holder of DHI Common Stock, and (ii) in the event of (x) any tender or exchange offer to acquire any shares of DHI Common Stock by any third party pursuant to an agreement to which the Corporation is a party or (y) any tender or exchange offer by the Corporation to acquire any shares of DHI Common Stock, pursuant to the terms of the applicable tender or exchange offer, the holders of DHI Common Stock shall have the right to receive, or the right to elect to receive, the same amount or form of consideration on a per share basis as each other holder of DHI Common Stock; provided, that notwithstanding anything herein to the contrary, the holders of Class C Common Stock and the holders of Class D Common Stock may receive non-voting securities or capital stock, or securities or capital stock with differing voting rights or preferences than the holders of Class A Common Stock and/or the holders of Class B Common Stock in connection with a merger, consolidation, other business combination, or tender or exchange offer involving the Corporation.

(j) Senior, Parity or Junior Stock.

(1) Whenever reference is made in this Article V to shares "ranking senior to" another class or series of stock or "on a parity with" another class or series of stock, such reference shall mean and include all other shares of the Corporation in respect of which the rights of the holders thereof as to the payment of dividends or as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation are given preference over, or rank equally with, as the case may be, the rights of the holders of such other class or series of stock. Whenever reference is made to shares "ranking junior to" another class or series of stock, such reference shall mean and include all shares of the Corporation in respect of which the rights of the holders thereof as to the payment of dividends and as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation are junior and subordinate to the rights of the holders of such class or series of stock.

(2) Except as otherwise provided herein or in any Preferred Stock Series Resolution, each series of Preferred Stock shall rank on a parity with each other series of Preferred Stock and each series of Preferred Stock shall rank senior to the Common Stock. Except as otherwise provided herein, each of the Class A Common Stock, the Class B Common Stock, the Class C Common Stock, the Class D Common Stock and the Class V Common Stock shall rank on a parity with each other, and, except as otherwise provided in any Preferred Stock Series Resolution, each of the Class A Common Stock, the Class B Common Stock, the Class C Common Stock, the Class D Common Stock and the Class V Common Stock shall rank junior to the Preferred Stock.

(k) Reservation and Retirement of Shares.

(1) The Corporation shall at all times reserve and keep available, out of its authorized but unissued shares of Common Stock or out of shares of Common Stock held in its treasury, the full number of shares of Common Stock into which all shares of any series of Preferred Stock having conversion privileges from time to time outstanding are convertible.

(2) Unless otherwise provided in a Preferred Stock Series Resolution with respect to a particular series of Preferred Stock, all shares of Preferred Stock redeemed or acquired (as a result of conversion or otherwise) shall be retired and restored to the status of authorized but unissued shares of Preferred Stock undesignated as to series.

(l) No Preemptive Rights.

Subject to the provisions of any Preferred Stock Series Resolution, no holder of shares of stock of the Corporation shall have any preemptive or other rights, except as such rights are expressly provided by contract, to purchase or subscribe for or receive any shares of any class, or series thereof, of stock of the Corporation, whether now or hereafter authorized, or any warrants, options, bonds, debentures or other securities convertible into, exchangeable for or carrying any right to purchase any shares of any class, or series thereof, of stock; but, subject to

the provisions of any Preferred Stock Series Resolution, such additional shares of stock and such warrants, options, bonds, debentures or other securities convertible into, exchangeable for or carrying any right to purchase any shares of any class, or series thereof, of stock may be issued or disposed of by the Board of Directors to such Persons, and on such terms and for such lawful consideration, as in its discretion it shall deem advisable or as to which the Corporation shall have by binding contract agreed.

(m) Other Provisions Relating to the Exchange of Class V Common Stock.

(1) Redemption for VMware Stock. At any time that shares of common stock of VMware comprise all of the assets of the Class V Group, the Corporation may, at its option and subject to assets of the Corporation being legally available therefor, redeem all outstanding shares of Class V Common Stock for shares of common stock of VMware (the “Distributed VMware Shares”), as provided herein. Each outstanding share of Class V Common Stock shall be redeemed for a number of Distributed VMware Shares equal to the amount (calculated to the nearest five decimal places) obtained by multiplying the Outstanding Interest Fraction by a fraction, the numerator of which is the number of shares of common stock of VMware attributed to the Class V Group on the Class V Group VMware Redemption Selection Date and the denominator of which is the number of issued and outstanding shares of Class V Common Stock on the same date. Any redemption pursuant to this Section 5.2(m)(1) shall occur on the date set forth in the public notice made pursuant to Section 5.2(m)(4)(B) (the “Class V Group VMware Redemption Date”). The Corporation shall not redeem shares of Class V Common Stock for Distributed VMware Shares pursuant to this Section 5.2(m)(1) without redeeming all outstanding shares of Class V Common Stock for Distributed VMware Shares in accordance with this Section 5.2(m)(1).

(2) Redemption for Securities of Class V Group Subsidiary. At any time at which a wholly-owned Subsidiary of the Corporation (the “Class V Group Subsidiary”) holds, directly or indirectly, all of the assets and liabilities attributed to the Class V Group and such assets and liabilities are not solely comprised of shares of common stock of VMware, the Corporation may, at its option and subject to assets of the Corporation being legally available therefor, redeem all of the outstanding shares of Class V Common Stock for shares of common stock of such Class V Group Subsidiary, as provided herein; provided, that the common stock received is the only outstanding equity security of such Class V Group Subsidiary, and provided, further, that such common stock, upon issuance in such redemption, will have been registered under all applicable U.S. securities laws and will be listed for trading on a U.S. securities exchange. The number of shares of common stock of the Class V Group Subsidiary to be delivered in redemption of each outstanding share of Class V Common Stock will be equal to the amount (rounded, if necessary, to the nearest five decimal places) obtained by dividing (x) the product of (I) the number of outstanding shares of common stock of the Class V Group Subsidiary and (II) the Outstanding Interest Fraction, by (y) the number of outstanding shares of Class V Common Stock, in each case, as of the Class V Group Redemption Selection Date. The Corporation shall not redeem shares of Class V Common Stock for shares of common stock of the Class V Group Subsidiary pursuant to this Section 5.2(m)(2) without redeeming all outstanding shares of Class V Common Stock in accordance with this Section 5.2(m)(2).

Any redemption pursuant to this Section 5.2(m)(2) will occur on a Class V Group Redemption Date set forth in a notice to holders of Class V Common Stock pursuant to Section 5.2(m)(4)(B).

If the Board of Directors determines to effect a redemption of the Class V Common Stock pursuant to this Section 5.2(m)(2), shares of Class V Common Stock shall be redeemed in exchange for a common stock of the Class V Group Subsidiary, as determined by the Board of Directors, on an equal per share basis.

(3) Dividend, Redemption or Conversion in Case of Class V Group Disposition. In the event of a Class V Group Disposition (other than in one or a series of Excluded Transactions), the Corporation will, on or prior to the 120th Trading Day following the consummation of such Class V Group Disposition and in accordance with the applicable provisions of this Section 5.2, take the actions referred to in one of Section 5.2(m)(3)(A), (B), (C) or (D) below, as elected by the Board of Directors:

(A) Subject to Section 5.2(e)(1), the Corporation may declare and pay a dividend payable in cash, Publicly Traded securities (other than securities of the Corporation) or other assets, or any combination thereof, to the holders of outstanding shares of Class V Common Stock, with an aggregate Fair Value equal to the Class V Group Allocable Net Proceeds of such Class V Group Disposition (regardless of the form or

nature of the proceeds received by the Corporation from the Class V Group Disposition) as of the record date for determining the holders entitled to receive such dividend, as the same may be determined by the Board of Directors, with such dividend to be paid in accordance with the applicable provisions of Section 5.2(e).

(B) Provided that there are assets of the Corporation legally available therefor and the Class V Group Available Dividend Amount would have been sufficient to pay a dividend pursuant to Section 5.2(m)(3)(A) in lieu of effecting the redemption provided for in this Section 5.2(m)(3)(B), the Corporation may apply an aggregate amount of cash or Publicly Traded securities (other than securities of the Corporation) or any combination thereof with a Fair Value equal to the Class V Group Allocable Net Proceeds of such Class V Group Disposition (regardless of the form or nature of the proceeds received by the Corporation from the Class V Group Disposition) as of the Class V Group Redemption Selection Date (the "Class V Group Redemption Amount") to the redemption of outstanding shares of Class V Common Stock for an amount per share equal to the Average Market Value of a share of Class V Common Stock over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in Section 5.2(m)(4)(C); provided, that if such Class V Group Disposition involves all (not merely substantially all) of the assets of the Class V Group, a redemption pursuant to this Section 5.2(m)(3)(B) shall be a redemption of all outstanding shares of Class V Common Stock in exchange for an aggregate amount of cash or Publicly Traded securities (other than securities of the Corporation) or any combination thereof, with a Fair Value equal to the Class V Group Allocable Net Proceeds of such Class V Group Disposition, on an equal per share basis.

(C) Provided that the Class C Common Stock is then Publicly Traded, the Corporation may convert the number of outstanding shares of Class V Common Stock obtained by dividing the Class V Group Allocable Net Proceeds by the Average Market Value of a share of Class V Common Stock over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in Section 5.2(m)(4)(C) into an aggregate number (or fraction) of validly issued, fully paid and non-assessable shares of Class C Common Stock equal to the number of shares of Class V Common Stock to be converted, multiplied by the amount (calculated to the nearest five decimal places) obtained by dividing (I) the Average Market Value of a share of Class V Common Stock over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in Section 5.2(m)(4)(C) by (II) the Average Market Value of one share of Class C Common Stock over the same 10-Trading Day period.

(D) Provided that the Class C Common Stock is then Publicly Traded, the Corporation may combine the conversion of a portion of the outstanding shares of Class V Common Stock into Class C Common Stock as contemplated by Section 5.2(m)(3)(C) with the payment of a dividend on, or the redemption of, shares of Class V Common Stock, as described below, subject to the limitations specified in Section 5.2(m)(3)(A) (in the case of a dividend) or Section 5.2(m)(3)(B) (in the case of a redemption) (including the limitations specified in other paragraphs of this Certificate of Incorporation referred to therein).

In the event the Board of Directors elects the option described in this Section 5.2(m)(3)(D), the portion of the outstanding shares of Class V Common Stock to be converted into validly issued, fully paid and non-assessable shares of Class C Common Stock shall be determined by the Board of Directors and shall be so converted at the conversion rate determined in accordance with Section 5.2(m)(3)(C) and the Corporation shall (x) pay a dividend to the holders of record of all of the remaining shares of Class V Common Stock outstanding, with such dividend to be paid in accordance with the applicable provisions of Section 5.2(e), or (y) redeem all or a portion of such remaining shares of Class V Common Stock. The aggregate amount of such dividend or the portion of the Class V Group Allocable Net Proceeds to be applied to such redemption, as applicable, shall be equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (I) an amount equal to the Class V Group

Allocable Net Proceeds of such Class V Group Disposition as of, in the case of a dividend, the record date for determining the holders of Class V Common Stock entitled to receive such dividend and, in the case of a redemption, the Class V Group Redemption Selection Date, in each case before giving effect to the conversion of shares of Class V Common Stock in connection with such Class V Group Disposition in accordance with this Section 5.2(m)(3)(D) and any related adjustment to the Number of Retained Interest Shares, by (II) one (1) minus a fraction, the numerator of which shall be the number of shares of Class V Common Stock to be converted into shares of Class C Common Stock in accordance with this Section 5.2(m)(3)(D) and the denominator of which shall be the aggregate number of shares of Class V Common Stock outstanding as of the record date or the Class V Group Redemption Selection Date used for purposes of clause (I) of this sentence. In the event of a redemption concurrently with or following any such partial conversion of shares of Class V Common Stock, if the Class V Group Disposition was of all (not merely substantially all) of the assets of the Class V Group, then all remaining outstanding shares of Class V Common Stock shall be redeemed for cash, Publicly Traded securities (other than securities of the Corporation) or other assets, or any combination thereof, with an aggregate Fair Value equal to the portion of the Class V Group Allocable Net Proceeds to be applied to such redemption determined in accordance with this Section 5.2(m)(3)(D), such aggregate amount to be allocated among all such shares to be redeemed on an equal per share basis (subject to the provisions of this Section 5.2(m)(3)). In the event of a redemption concurrently with or following any such partial conversion of shares of Class V Common Stock, if the Class V Group Disposition was of not all of the assets of the Class V Group, then the number of shares of Class V Common Stock to be redeemed shall be determined in accordance with Section 5.2(m)(3)(B), substituting for the Class V Group Redemption Amount referred to therein the portion of the Class V Group Allocable Net Proceeds to be applied to such redemption as determined in accordance with this Section 5.2(m)(3)(D), and such shares shall be redeemed for cash, Publicly Traded securities (other than securities of the Corporation) or other assets, or any combination thereof, with an aggregate Fair Value equal to such portion of the Class V Group Allocable Net Proceeds and allocated among all such shares to be redeemed on an equal per share basis (subject to the provisions of this Section 5.2(m)(3)). In the case of a redemption, the allocation of the cash, Publicly Traded securities (other than securities of the Corporation) and/or other assets to be paid in redemption and, in the case of a partial redemption, the selection of shares to be redeemed shall be made in the manner contemplated by Section 5.2(m)(3)(B).

For purposes of this Section 5.2(m)(3) and the definition of “Class V Group Disposition” provided in Article XV:

(1) as of any date, “substantially all of the assets of the Class V Group” means a portion of such assets that represents at least 80% of the then-Fair Value of the assets of the Class V Group as of such date;

(2) in the case of a Class V Group Disposition effected in a series of related transactions, such Class V Group Disposition shall not be deemed to have been consummated until the consummation of the last of such transactions;

(3) if the Board of Directors seeks the approval of the holders of Class V Common Stock entitled to vote on thereon to qualify a Class V Group Disposition as an Excluded Transaction and such approval is not obtained, the date on which such approval fails to be obtained will be treated as the date on which such Class V Group Disposition was consummated for purposes of making the determinations and taking the actions prescribed by this Section 5.2(m)(3) and Section 5.2(m)(4), and no subsequent vote may be taken to qualify such Class V Group Disposition as an Excluded Transaction; and

(4) in the event of a redemption of a portion of the outstanding shares of Class V Common Stock pursuant to Section 5.2(m)(3)(B) or (D) at a time when the Number of Retained Interest Shares is greater than zero, the Corporation will attribute to the DHI Group concurrently with such redemption an aggregate amount (the “Retained Interest Redemption Amount”) of cash, securities (other than securities of the Corporation) or other assets, or any combination thereof, subject to adjustment as described below, with an aggregate Fair Value equal to the difference between (x) the Class V Group Net Proceeds and (y) the portion of the Class V Group Allocable Net Proceeds applied to such redemption as determined in accordance with Section 5.2(m)(3)(B) or (D) (such attribution, the “Retained Interest Partial Redemption”). Upon such Retained Interest Partial Redemption, the Number of Retained Interest Shares will be decreased in the manner described in subparagraph (ii)(B) of the definition of “Number of Retained Interest Shares” provided in Article XV. The Retained Interest Redemption Amount may, at the discretion of the Board of Directors, be reflected by an allocation to the DHI Group or by a direct transfer to the DHI Group of cash, securities and/or other assets.

(4) General.

(A) If the Corporation determines to convert all of the shares of Class V Common Stock pursuant to Section 5.2(r), not less than 10 days prior to the Class V Group Conversion Date the Corporation shall announce publicly by press release:

(IV) the Class V Group VMware Redemption Date or Class V Group Redemption Date, as applicable, which shall not be earlier than the 10th day following the date of such press release and shall not be later than the 120th Trading Day following the date of such press release;

(V) if the Board of Directors so determines, that the Corporation shall not be required to register a transfer of any shares of Class V Common Stock for a period of 10 Trading Days (or such shorter period as such press release may specify) immediately preceding the specified Class V Group VMware Redemption Selection Date or Class V Group Redemption Selection Date;

(VI) the number of shares of VMware common stock or of the Class V Group Subsidiary, as applicable, attributable to the DHI Group, and the Number of Retained Interest Shares used in determining such number; and

(VII) instructions as to how shares of Class V Common Stock may be surrendered for exchange or redemption, as applicable.

(C) Not later than the 10th Trading Day following the consummation of a Class V Group Disposition referred to in Section 5.2(m)(3), the Corporation shall announce publicly by press release the Class V Group Net Proceeds of such Class V Group Disposition. Not later than the 30th Trading Day following the consummation of such Class V Group Disposition (and in the event a 10-Trading Day valuation period is required in connection with the action selected by the Board of Directors pursuant to Section 5.2(m)(3), not earlier than the 12th Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in the first sentence of this Section 5.2(m)(4)(C)), the Corporation shall announce publicly by press release (to the extent applicable):

(I) which of the actions specified in Section 5.2(m)(3)(A), (B), (C) or (D) the Corporation has irrevocably determined to take;

(II) as applicable, the record date for determining holders entitled to receive any dividend to be paid pursuant to Section 5.2(m)(3)(A) or (D), the Class V Group Redemption Selection Date for

the redemption of shares of Class V Common Stock pursuant to Section 5.2(m)(3)(B) or (D) or the Class V Group Conversion Selection Date for the partial conversion of shares of Class V Common Stock pursuant to Section 5.2(m)(3)(D), which record date, Class V Group Redemption Selection Date or Class V Group Conversion Selection Date will not be earlier than the 10th day following the date of such public announcement;

(III) the Outstanding Interest Fraction as of the date of such notice;

(IV) the anticipated dividend payment date, Class V Group Redemption Date, and/or Class V Group Conversion Date, as applicable, which in either case shall not be more than 85 Trading Days following such Class V Group Disposition; and

(V) unless the Board of Directors otherwise determines, that the Corporation shall not be required to register a transfer of any shares of Class V Common Stock for a period of 10 Trading Days (or such shorter period as such announcement may specify) immediately preceding the specified Class V Group Redemption Selection Date or the Class V Group Conversion Selection Date.

If the Corporation determines to undertake a redemption of shares of Class V Common Stock, in whole or in part, pursuant to Section 5.2(m)(3)(B) or (D), or a conversion of shares of Class V Common Stock, in whole or in part, pursuant to Section 5.2(m)(3)(C) or (D), the Corporation will announce such redemption or conversion (which, for the avoidance of doubt, may remain subject to the satisfaction or waiver of any applicable condition precedent at the time of such announcement) publicly by press release, not less than 10 days prior to the Class V Group Redemption Date or Class V Group Conversion Date, and will announce, as applicable:

(I) the Class V Group Redemption Date or Class V Group Conversion Date, which in each case shall not be more than 85 Trading Days following such Class V Group Disposition;

(II) the number of shares of Class V Common Stock to be redeemed or converted or, if applicable, stating that all outstanding shares of Class V Common Stock will be redeemed or converted;

(III) the kind and amount of per share consideration to be received with respect to each share of Class V Common Stock to be redeemed or converted and the Outstanding Interest Fraction as of the date of such notice;

(IV) with respect to a partial redemption under Section 5.2(m)(3)(B) or (D), the Number of Retained Interest Shares as of the Class V Group Redemption Selection Date;

(V) with respect to a dividend under Section 5.2(m)(3)(D), the Number of Retained Interest Shares as of the record date for the dividend and the Retained Interest Dividend Amount attributable to the DHI Group; and

(VI) instructions as to how shares of Class V Common Stock may be surrendered for redemption or conversion.

(D) The Corporation will give such notice to holders of Convertible Securities convertible into or exercisable or exchangeable for Class V Common Stock as may be required by the terms of such Convertible Securities or as the Board of Directors may otherwise deem appropriate in connection with a dividend, redemption or conversion of shares of Class V Common Stock pursuant to this Section 5.2, as applicable.

(E) All public announcements made pursuant to Section 5.2(m)(4)(A), (B) or (C) shall include such further statements, and the Corporation reserves the right to make such further public announcements, as may be required by law or the rules of the principal U.S. securities exchange on which the Class V Common Stock is listed or as the Board of Directors may, in its discretion, deem appropriate.

(F) No adjustments in respect of dividends shall be made upon the conversion or redemption of any shares of Class V Common Stock; provided, however, that, except as otherwise contemplated by Section 5.2(m)(3)(D), if the Class V Group Conversion Date or the Class V Group Redemption Date with respect to any shares of Class V Common

Stock shall be subsequent to the record date for the payment of a dividend or other distribution thereon or with respect thereto, but prior to the payment of such dividend or distribution, the holders of record of such shares of Class V Common Stock at the close of business on such record date shall be entitled to receive the dividend or other distribution payable on or with respect to such shares on the date set for payment of such dividend or other distribution, notwithstanding the prior conversion or redemption of such shares.

(G) Before any holder of shares of Class V Common Stock shall be entitled to receive certificate(s) or book-entry interests representing shares of any kind of capital stock or cash, Publicly Traded securities or other assets to be received by such holder with respect to shares of Class V Common Stock pursuant to Section 5.2(r) or this Section 5.2(m), such holder shall surrender certificate(s) or book-entry interests representing such shares of Class V Common Stock in such manner and with such written instruments or transfer as the Corporation shall specify. The Corporation will, as soon as practicable after such surrender of certificate(s) or book-entry interests representing shares of Class V Common Stock, deliver, or cause to be delivered, at the office of the transfer agent for the shares or other securities to be delivered, to the holder for whose account shares of Class V Common Stock were so surrendered, or to the nominee or nominees of such holder, certificate(s) or book-entry interests representing the number of shares of the kind of capital stock or cash, Publicly Traded securities or other assets to which such Person shall be entitled as aforesaid, together with any payment for fractional securities determined by the Board of Directors to be paid in accordance with Section 5.2(m)(4)(I). If less than all of the shares of Class V Common Stock represented by any one certificate are to be redeemed, the Corporation shall issue and deliver a new certificate for the shares (including fractional shares) of Class V Common Stock not redeemed.

(H) From and after any applicable Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, all rights of a holder of shares of Class V Common Stock that were converted, redeemed or exchanged on such Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, as applicable, shall cease except for the right, upon surrender of certificate(s) or book-entry interests representing such shares of Class V Common Stock, to receive certificate(s) or book-entry interests representing shares of the kind and amount of capital stock or cash, Publicly Traded securities or other assets for which such shares were converted, redeemed or exchanged, as applicable, together with any payment for fractional securities determined by the Board of Directors to be paid in accordance with Section 5.2(m)(4)(I), and such holder shall have no other or further rights in respect of the shares of Class V Common Stock so converted, redeemed or exchanged. No holder of a certificate or book-entry interest which immediately prior to the applicable Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date represented shares of Class V Common Stock shall be entitled to receive any dividend or other distribution with respect to shares of any kind of capital stock into or in exchange for which the Class V Common Stock was converted, redeemed or exchanged until surrender of such holder's certificate or book-entry interest for certificate(s) or book-entry interests representing shares of such kind of capital stock. Upon such surrender, there shall be paid to the holder the amount of any dividends or other distributions (without interest) which became payable with respect to a record date prior to the Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, as the case may be, but that were not paid by reason of the foregoing, with respect to the number of shares of the kind of capital stock represented by the certificate(s) or book-entry interests issued upon such surrender. Notwithstanding the foregoing, from and after a Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, as the case may be, the Corporation will be entitled to treat certificates and book-entry interests representing shares of Class V Common Stock that have not yet been surrendered for conversion, redemption or exchange in accordance with Section 5.2(m)(4)(G) as evidencing the ownership of the number of shares of the kind or kinds of capital stock for which the shares of Class V Common Stock represented by such certificates or book-entry interests shall have been converted, redeemed or exchanged in accordance with Section 5.2(r) or this Section 5.2(m), notwithstanding the failure of the holder thereof to surrender such certificates or book-entry interests.

(I) The Corporation shall not be required to issue or deliver fractional shares of any class or series of capital stock or any other securities in a smaller than authorized denomination to any holder of Class V Common Stock upon any conversion, redemption, exchange, dividend or other distribution pursuant to this Section 5.2. In connection with the determination of the number of shares of any class or series of capital stock that shall be issuable or the amount of other securities that shall be deliverable to any holder of record of Class V Common Stock upon any such conversion, redemption, exchange, dividend or other distribution (including any fractions of shares or securities), the Corporation may aggregate the shares of Class V Common Stock held at the relevant time by such holder of record.

If the aggregate number of shares of capital stock or other securities to be issued or delivered to any holder of Class V Common Stock includes a fraction, the Corporation shall pay, or shall cause to be paid, a cash adjustment in lieu of such fraction in an amount equal to the Fair Value of such fraction (without interest).

(J) Any deadline for effecting a redemption, conversion, or exchange prescribed by Section 5.2(r) or this Section 5.2(m) may be extended in the discretion of the Board of Directors if deemed necessary or appropriate to enable the Corporation to comply with the U.S. federal securities laws, including the rules and regulations promulgated thereunder.

(n) Treatment of Convertible Securities. After any Class V Group Redemption Date or Class V Group Conversion Date on which all outstanding shares of Class V Common Stock are redeemed or converted, any share of Class V Common Stock of the Corporation that is to be issued on exchange, conversion or exercise of any Convertible Securities shall, immediately upon such exchange, conversion or exercise and without any notice from or to, or any other action on the part of, the Corporation or its Board of Directors or the holder of such Convertible Security:

(1) in the event the shares of Class V Common Stock outstanding on such Class V Group Redemption Date were redeemed pursuant to Section 5.2(m), (3)(B) or Section 5.2(m)(2), be redeemed, to the extent of funds legally available therefor, for \$0.01 per share in cash for each share of Class V Common Stock that otherwise would be issued upon such exchange, conversion or exercise; or

(2) in the event the shares of Class V Common Stock outstanding on such Class V Group Conversion Date were converted into shares of Class C Common Stock pursuant to Section 5.2(m)(3)(C) or (D) or Section 5.2(r), be converted into the number of shares of Class C Common Stock that shares of Class V Common Stock would have received had such shares been outstanding and converted on such Class V Group Conversion Date.

The provisions of the immediately preceding sentence of this Section 5.2(n) shall not apply to the extent that other adjustments or alternative provisions in respect of such conversion, exchange or redemption of Class V Common Stock are otherwise made or applied pursuant to the provisions of such Convertible Securities.

(o) Deemed Conversion of Certain Convertible Securities. To the extent Convertible Securities are paid as a dividend to the holders of Class V Common Stock at a time when the DHI Group holds an Inter-Group Interest in the Class V Group, in addition to making an adjustment pursuant to Section 5.2(e)(1)(B)(II), the Corporation may, when at any time such Convertible Securities are convertible into or exchangeable or exercisable for shares of Class V Common Stock, treat such Convertible Securities as converted, exchanged or exercised for purposes of determining the increase in the Number of Retained Interest Shares pursuant to subparagraph (iii) of the definition of "Number of Retained Interest Shares" provided in Article XV, and must do so to the extent such Convertible Securities are mandatorily converted, exchanged or exercised (and to the extent the terms of such Convertible Securities require payment of consideration for such conversion, exchange or exercise, the DHI Group shall then no longer be attributed as an asset an amount of the kind of assets or properties required to be paid as such consideration for the amount of Convertible Securities deemed converted, exchanged or exercised (and the Class V Group shall be attributed such assets or properties)), in which case, from and after such time, the shares of Class V Common Stock into or for which such Convertible Securities were so considered converted, exchanged or exercised shall be deemed held by the DHI Group and such Convertible Securities shall no longer be deemed to be held by the DHI Group. A statement setting forth the election to effectuate any such deemed conversion, exchange or exercise of Convertible Securities and the assets or properties, if any, to be attributed to the Class V Group in consideration of such conversion, exchange or exercise shall be filed with the Secretary of the Corporation and, upon such filing, such deemed conversion, exchange or exercise shall be effectuated.

(p) Certain Determinations by the Board of Directors.

(1) General. The Board of Directors shall make such determinations with respect to (a) the businesses, assets, properties, liabilities and preferred stock to be attributed to the DHI Group and the Class V Group, (b) the application of the provisions of this Certificate of Incorporation to transactions to be engaged in by the Corporation and (c) the voting powers, preferences, designations, rights, qualifications, limitations or restrictions of any series of Common Stock or of the holders thereof, as may be or become necessary or appropriate to the exercise of, or to give effect to, such voting powers, preferences, designations, rights, qualifications, limitations or restrictions, including,

without limiting the foregoing, the determinations referred to in this Section 5.2(p); provided, that any of such determinations that would require approval of the Capital Stock Committee under the Bylaws shall be effective only if made in accordance with the Bylaws. A record of any such determination shall be filed with the records of the actions of the Board of Directors.

(A) Upon any acquisition by the Corporation or its Subsidiaries of any businesses, assets or properties, or any assumption of liabilities or preferred stock, outside of the ordinary course of business of either Group, the Board of Directors shall determine whether such businesses, assets, properties, liabilities or preferred stock (or an interest therein) shall be for the benefit of the DHI Group or the Class V Group or both and, accordingly, shall be attributed to such Group or Groups, in accordance with the definitions of DHI Group or Class V Group set forth in Article XV, as the case may be.

(B) Upon any issuance of shares of Class V Common Stock at a time when the Number of Retained Interest Shares is greater than zero, the Board of Directors shall determine, based on the use of the proceeds of such issuance and any other relevant factors, whether all or any part of the shares of such series so issued shall reduce such Number of Retained Interest Shares. Upon any repurchase of shares of Class V Common Stock at any time, the Board of Directors shall determine, based on whether the cash or other assets paid in such repurchase were attributed to the DHI Group or the Class V Group and any other relevant factors, whether all or any part of the shares of such series so repurchased shall increase such Number of Retained Interest Shares.

(C) Upon any issuance by the Corporation or any Subsidiary thereof of any Convertible Securities that are convertible into or exchangeable or exercisable for shares of Class V Common Stock, if at the time such Convertible Securities are issued the Number of Retained Interest Shares related to such series is greater than zero, the Board of Directors shall determine, based on the use of the proceeds of such issuance and any other relevant factors, whether, upon conversion, exchange or exercise thereof, the issuance of shares of Class V Common Stock pursuant thereto shall, in whole or in part, reduce such Number of Retained Interest Shares.

(D) Upon any issuance of any shares of preferred stock (or stock other than Common Stock) of any series, the Board of Directors shall attribute, based on the use of proceeds of such issuance of shares of preferred stock (or stock other than Common Stock) in the business of either Group and any other relevant factors, the shares so issued entirely to the DHI Group, entirely to the Class V Group, or partly to both Groups, in such proportion as the Board of Directors shall determine.

(E) Upon any redemption or repurchase by the Corporation or any Subsidiary thereof of shares of preferred stock (or stock other than Common Stock) of any class or series or of other securities or debt obligations of the Corporation, the Board of Directors shall determine, based on the property used to redeem or purchase such shares, other securities or debt obligations, which, if any, of such shares, other securities or debt obligations redeemed or repurchased shall be attributed to the DHI Group, to the Class V Group, or both, and, accordingly, how many of the shares of such series or class of preferred stock (or stock other than Common Stock) or of such other securities, or how much of such debt obligations, that remain outstanding, if any, are thereafter attributed to each Group.

(F) Upon any transfer to either Group of businesses, assets or properties attributed to the other Group, the Board of Directors shall determine the consideration therefor to be attributed to the transferring Group in exchange therefor, including, without limitation, cash, securities or other property of the other Group, or shall decrease or increase the Number of Retained Interest Shares, as described in subparagraph (ii)(D) or (iii)(D), as the case may be, of the definition of "Number of Retained Interest Shares" provided in Article XV.

(G) Upon any assumption by either Group of liabilities or preferred stock attributed to the other Group, the Board of Directors shall determine the consideration therefor to be attributed to the assuming Group in exchange therefor, including, without limitation, cash, securities or other property of the other Group, or shall decrease or increase the Number of Retained Interest Shares, as described in subparagraph (ii)(D) or (iii)(D), as the case may be, of the definition of "Number of Retained Interest Shares" provided in Article XV.

(2) *Certain Determinations Not Required.* Notwithstanding the foregoing provisions of this Section 5.2(p) or any other provision in this Certificate of Incorporation, at any time when there are no shares of Class V Common Stock outstanding (or Convertible Securities convertible into or exchangeable or exercisable for shares of Class V Common Stock), the Corporation need not:

(A) attribute any of the businesses, assets, properties, liabilities or preferred stock of the Corporation or any of its Subsidiaries to the DHI Group or the Class V Group; or

(B) make any determination required in connection therewith, nor shall the Board of Directors be required to make any of the determinations otherwise required by this Section 5.2(p),

and in such circumstances the holders of the shares of DHI Common Stock outstanding shall (unless otherwise specifically provided in this Certificate of Incorporation) be entitled to all the voting powers, preferences, designations, rights, qualifications, limitations or restrictions of common stock of the Corporation.

(3) Board Determinations Binding. Any determinations made in good faith by the Board of Directors of the Corporation under any provision of this Section 5.2(p) or otherwise in furtherance of the application of this Section 5.2 shall be final and binding; provided, that any of such determinations that would require approval of the Capital Stock Committee under the Bylaws shall be final and binding only if made in accordance with the Bylaws.

(q) Conversion of Class A Common Stock, Class B Common Stock and Class D Common Stock.

(1) At any time and from time to time, (i) any holder of Class A Common Stock or Class B Common Stock shall have the right by written election to the Corporation to convert all or any of the shares of Class A Common Stock or Class B Common Stock, as applicable, held by such holder into shares of Class C Common Stock on a one-to-one basis and (ii) any holder of Class D Common Stock, subject to any legal requirements applicable to such holder (including any applicable requirements under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and any other applicable antitrust laws), shall have the right by written election to the Corporation to convert all or any of the shares of Class D Common Stock held by such holder into shares of Class C Common Stock on a one-to-one basis.

(2) If any such holder seeks to convert any share of Class A Common Stock, Class B Common Stock or Class D Common Stock pursuant to this Section 5.2(q), such written election shall be delivered by certified mail or courier, postage prepaid, to the Corporation or the Corporation's transfer agent. Each such written election shall (i) state the number of shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, elected to be converted and (ii) be accompanied by the certificate or certificates representing the shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, being converted, duly assigned or endorsed for transfer to the Corporation (and, if so required by the Corporation or its transfer agent, accompanied by duly executed instruments of transfer). The conversion of such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, shall be deemed effective as of the close of business on the date of receipt by the Corporation's transfer agent of the certificate or certificates representing such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, and any other instruments required by this Section 5.2(q)(2).

(3) Upon receipt by the Corporation's transfer agent of a written election accompanied by the certificate or certificates representing such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, being converted, duly assigned or endorsed for transfer to the Corporation (and, if so required by the Corporation or its transfer agent, accompanied by duly executed instruments of transfer), the Corporation shall deliver to the relevant holder (i) a certificate in such holder's name (or the name of such holder's designee) for the number of shares of Class C Common Stock (including any fractional share) to which such holder shall be entitled upon conversion of the applicable shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, and (ii) if applicable, a certificate in such holder's name (or the name of such holder's designee) for the number of shares (including any fractional share) of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, represented by the certificate or certificates delivered to the Corporation for conversion but otherwise not elected to be converted pursuant to the written election. All shares of Class C Common Stock issued hereunder by the Corporation shall be validly issued, fully paid and non-assessable.

(4) Notwithstanding anything in this Certificate of Incorporation to the contrary, upon any Transfer of shares of Class A Common Stock or Class B Common Stock to any Person other than (i) a Permitted Transferee of the transferor, (ii) in the case of the Class A Common Stock, (x) in a transfer pursuant to a Qualified Sale Transaction or (y) in connection with the transfer, at substantially the same time, of an aggregate number of shares of DHI Common Stock held by the MSD Partners Stockholders and their Permitted Transferees greater than 50% of the outstanding shares of DHI Common Stock owned by the MSD Partners Stockholders immediately following the closing of the Merger (as adjusted for any stock split, stock dividend, reverse stock split or similar event occurring after the closing of the Merger) to any Person or group of Affiliated Persons or (iii) the case of the Class B Common Stock, in connection with the transfer, at substantially the same time, of an aggregate number of shares of DHI Common Stock held by the transferor and its Permitted Transferees greater than 50% of the outstanding shares of DHI Common Stock owned by the SLP Stockholders immediately following the closing of the Merger (as adjusted for any stock split, stock dividend, reverse stock split or similar event occurring after the closing of the Merger) to any Person or group of Affiliated Persons, the shares so Transferred shall automatically and as a condition to the effectiveness of such Transfer be converted into shares of Class C Common Stock on a one-for-one basis.

(5) The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class C Common Stock, solely for the purpose of issuance upon conversion of outstanding shares of Class A Common Stock, Class B Common Stock and Class D Common Stock, such number of shares of Class C Common Stock that shall be issuable upon the conversion of all such outstanding shares of Class A Common Stock, Class B Common Stock and Class D Common Stock.

(r) Conversion of Class V Common Stock into Class C Common Stock at the Option of the Corporation.

(1) At the option of the Corporation, exercisable at any time the Class C Common Stock is then Publicly Traded, the Board of Directors may authorize (the date the Board of Directors makes such authorization, the “Determination Date”) that each outstanding share of Class V Common Stock be converted into a number (or fraction) of validly issued, fully paid and non-assessable Publicly Traded shares of Class C Common Stock equal to the amount (calculated to the nearest five decimal places) obtained by multiplying the Applicable Conversion Percentage as of the Determination Date by the amount (calculated to the nearest five decimal places) obtained by dividing (I) the Average Market Value of a share of Class V Common Stock over the 10-Trading Day period ending on the Trading Day preceding the Determination Date, by (II) the Average Market Value of a share of Class C Common Stock over the same 10-Trading Day period.

(2) At the option of the Corporation, if a Tax Event occurs, the Board of Directors may authorize that each outstanding share of Class V Common Stock be converted into a number (or fraction) of validly issued, fully paid and non-assessable shares of Class C Common Stock equal to the amount (calculated to the nearest five decimal places) obtained by multiplying 100% by the amount (calculated to the nearest five decimal places) obtained by dividing (I) the Average Market Value of a share of Class V Common Stock over the 10-Trading Day period ending on the Trading Day preceding the Determination Date, by (II) the Average Market Value of a share of Class C Common Stock over the same 10-Trading Day period; provided, that such conversion shall only occur if the Class C Common Stock, upon issuance in such conversion, will have been registered under all applicable U.S. securities laws and will be listed for trading on a U.S. securities exchange.

(3) If the Corporation determines to convert shares of Class V Common Stock into Class C Common Stock pursuant to this Section 5.2(r), such conversion shall occur on a Class V Group Conversion Date on or prior to the 45th day following the Determination Date and shall otherwise be effected in accordance with the provisions of Section 5.2(m)(4).

(4) The Corporation shall not convert shares of Class V Common Stock into shares of Class C Common Stock pursuant to this Section 5.2(r) without converting all outstanding shares of Class V Common Stock into shares of Class C Common Stock in accordance with this Section 5.2(r).

(s) **Transfer Taxes.** The Corporation will pay any and all documentary, stamp or similar issue or transfer taxes that may be payable in respect of the issue or delivery of a certificate or certificates representing any shares of capital stock and/or other securities on conversion or redemption of shares of Common Stock pursuant to this Section 5.2. The Corporation will not, however, be required to pay any tax that may be payable in respect of any issue or

delivery of a certificate or certificates representing any shares of capital stock in a name other than that in which the shares of Common Stock so converted or redeemed were registered and no such issue or delivery will be made unless and until the Person requesting the same has paid to the Corporation or its transfer agent the amount of any such tax, or has established to the satisfaction of the Corporation or its transfer agent that such tax has been paid.

ARTICLE VI

(a) The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

(b) The Board of Directors shall consist of:

(1) The Group I directors (the "Group I Directors"). The holders of Common Stock (other than the holders of Class D Common Stock), voting together as a single class, shall be entitled to elect, vote to remove or fill any vacancy in respect of any Group I Director. The number of Group I Directors shall not be less than three (3) nor more than twenty (20) as shall be determined in accordance with the Bylaws. Notwithstanding the immediately preceding sentence, upon the occurrence of a Designation Rights Trigger Event, the number of directors constituting the Group I Directors shall automatically be increased by the number of Group II Directors and Group III Directors that shall become Group I directors pursuant to paragraph (f) of this Article VI below. Any newly-created directorship on the Board of Directors with respect to the Group I Directors that results from an increase in the number of Group I Directors may be filled by the affirmative vote of a majority of the Board of Directors then in office, provided, that a quorum is present, and any other vacancy occurring on the Board of Directors with respect to the Group I Directors may be filled by the affirmative vote of a majority of the Board of Directors then in office, even if less than a quorum, or by a sole remaining director. A majority of the Common Stock (other than the Class D Common Stock), voting together as a single class, shall be entitled remove any Group I Director with or without cause at any time. Each Group I Director shall be entitled to cast one (1) vote. Until a Designation Rights Trigger Event, in the event that the Board of Directors consists of a number of directors entitled to an aggregate amount of votes that is less than seven (7), the number of Group I Directors shall automatically be increased to such number as is necessary to ensure that the voting power of the Board of Directors is equal to an aggregate of seven (7) votes (assuming, for each such calculation, full attendance by each director);

(2) Until a Designation Rights Trigger Event has occurred with respect to the Class A Common Stock, the holders of Class A Common Stock shall have the right, voting separately as a series, to elect up to three (3) directors (the "Group II Directors"), and, voting separately as a series, shall solely be entitled to elect, vote to remove or fill any vacancy in respect of any Group II Director. Upon the occurrence of a Designation Rights Trigger Event with respect to the Class A Common Stock, the rights of the Class A Common Stock pursuant to this paragraph (2) shall immediately terminate and no right to elect Group II Directors shall thereafter attach to the Class A Common Stock. The number of Group II Directors may be increased (to no more than three (3)) by action of the Group II Directors or vote of the holders of Class A Common Stock, voting separately as a series, or decreased (to no less than one (1)) by vote of the holders of Class A Common Stock, voting separately as a series. In the case of any vacancy or newly-created directorship occurring with respect to the Group II Directors, such vacancy shall only be filled by the vote of the holders of the outstanding Class A Common Stock, voting separately as a series. The holders of Class A Common Stock, voting separately as a series, shall be entitled to remove any Group II Director with or without cause at any time. Each Group II Director shall be entitled to cast that number of votes (or a fraction thereof) equal to the quotient obtained by dividing (i) the Aggregate Group II Director Votes by (ii) the number of Group II Directors then in office; and

(3) Until a Designation Rights Trigger Event has occurred with respect to the Class B Common Stock, the holders of Class B Common Stock shall have the right, voting separately as a series, to elect up to three (3) directors (the "Group III Directors"), and, voting separately as a series, shall solely be entitled to elect, vote to remove or fill any vacancy in respect of any Group III Director. Upon the occurrence of a Designation Rights Trigger Event with respect to the Class B Common Stock, the rights of the Class B Common Stock pursuant to this paragraph (3) shall immediately terminate and no right to elect Group III Directors shall thereafter attach to the Class B Common Stock. The number of Group III Directors may be increased (to no more than three (3)) by action of the Group III Directors or vote of the holders of Class B Common Stock, voting separately as a series, or decreased (to no less than one (1)) by vote of the holders of Class B Common Stock, voting separately as a series. In the case of any

vacancy or newly-created directorship occurring with respect to the Group III Directors, such vacancy or newly-created directorship shall only be filled by the vote of the holders of the outstanding Class B Common Stock, voting separately as a series. The holders of Class B Common Stock, voting separately as a series, shall be entitled to remove any Group III Director with or without cause at any time. Each Group III Director shall be entitled to cast that number of votes (or a fraction thereof) equal to the quotient obtained by dividing (i) the Aggregate Group III Director Votes by (ii) the number of Group III Directors then in office.

(4) Effective upon the second annual meeting of stockholders of the Corporation occurring after the consummation of the IPO, the holders of Class C Common Stock shall have the right, voting separately as a series, to elect one (1) director (the “Group IV Director”), and, voting separately as a series, shall solely be entitled to vote to remove any Group IV Director. In connection with each annual meeting of the stockholders of the Corporation, beginning with the second annual meeting of stockholders of the Corporation occurring after the consummation of the IPO, the Board of Directors will nominate one nominee as the Group IV Director, whose election will be subject to such vote of the holders of the Class C Common Stock, voting separately as a series. In the case of any vacancy occurring with respect to the Group IV Director, such vacancy may be filled by the affirmative vote of a majority of the Board of Directors then in office until the next annual meeting of stockholders of the Corporation or until the Group IV Director’s earlier removal. The holders of Class C Common Stock, voting separately as a series, shall be entitled to remove the Group IV Director with or without cause at any time. The Group IV Director shall be entitled to cast one (1) vote.

(c) No stockholders of the Corporation other than the holders of Class A Common Stock shall be entitled to vote with respect to the election or the removal without cause of any Group II Director. No stockholders of the Corporation other than the holders of the Class B Common Stock shall be entitled to vote with respect to the election or the removal without cause of any Group III Director. No stockholders of the Corporation other than the holders of the Class C Common Stock shall be entitled to vote with respect to the election or the removal without cause of the Group IV Director. At any meeting held for the purpose of electing directors, the presence in person or by proxy of the holders of a majority of the outstanding shares of Class A Common Stock shall be required, and shall be sufficient, to constitute a quorum of such series for the election of Group II Directors by such series, the presence in person or by proxy of the holders of a majority of the outstanding shares of Class B Common Stock shall be required, and shall be sufficient, to constitute a quorum of such series for the election of Group III Directors by such series, and the presence in person or by proxy of the holders of a majority of the outstanding shares of Class C Common Stock shall be required, and shall be sufficient, to constitute a quorum of such series for the election of the Group IV Director by such series. At any such meeting or adjournment thereof, the absence of a quorum of any of the holders of the Class A Common Stock, the Class B Common Stock and/or the Class C Common Stock shall not prevent the election of directors other than the Group II Directors, the Group III Directors, and/or the Group IV Director, as applicable, and the absence of a quorum or quorums of the holders of capital stock of the Corporation entitled to elect such other directors shall not prevent the election of the Group II Directors, the Group III Directors, and/or the Group IV Director, as applicable.

(d) In the event that the Group II Directors and the Group III Directors are entitled to an equal aggregate number of votes that is greater than zero (0) (assuming, for such calculation, full attendance by each applicable Group II Director and Group III Director), any matter that requires approval by the Board of Directors will require the approval of (i) a majority of the votes entitled to be cast by all directors, (ii) a majority of the votes entitled to be cast by the Group II Directors and (iii) a majority of the votes entitled to be cast by the Group III Directors.

(e) As long as (a) no IPO has occurred, (b) the number of shares of Common Stock beneficially owned by the MD Stockholders exceeds either (x) 35% of the issued and outstanding DHI Common Stock or (y) the number of shares of DHI Common Stock beneficially owned by the SLP Stockholders and (c) no Disabling Event has occurred and is continuing, then (x) removal of the Chief Executive Officer of the Corporation shall require the approval of the holders of Class A Common Stock, voting separately as a series, and (y) unless otherwise consented to by the holders of Class A Common Stock, voting separately as a series, the Chief Executive Officer of the Corporation shall also serve as Chairman of the Board of Directors (provided, the Chief Executive Officer is a director).

(f) Upon the occurrence of a Designation Rights Trigger Event with respect to the Class A Common Stock, each Group II Director then serving as a director shall become a Group I Director, and the Aggregate Group II Director Votes shall thereafter be zero (0). Upon the occurrence of a Designation Rights Trigger Event with respect to the Class B Common Stock, each Group III Director then serving as a director shall become a Group I Director, and the Aggregate Group III Director Votes shall thereafter be zero (0).

(g) To the extent that this Certificate of Incorporation provides that directors elected by the holders of a class or series of stock shall have more or less than one vote per director on any matter, every reference in this Certificate of Incorporation or the Bylaws to a majority or other proportion of directors shall refer to a majority or other proportion of the votes of such directors. Notwithstanding the foregoing, each director when serving on a committee or subcommittee of the Board of Directors shall be entitled to cast that number of votes in respect of the total votes on any matter coming before such committee or subcommittee as shall be specified pursuant to the Bylaws, or if not so specified, then as may be set forth in a resolution of the Board of Directors designating such committee not inconsistent with the Bylaws or any stockholder agreement or similar contractual arrangement to which the Corporation is a party.

ARTICLE VII

Elections of the members of the Board of Directors shall be held annually at the annual meeting of stockholders and each director shall be elected for a term commencing on the date of such director's election and ending on the earliest of (i) the date such director's successor is elected and qualified, (ii) the date of such director's death, resignation, disqualification or removal, (iii) solely in the case of the Group II Directors, the occurrence of a Designation Rights Trigger Event with respect to the Class A Common Stock, and (iv) solely in the case of the Group III Directors, the occurrence of a Designation Rights Trigger Event with respect to the Class B Common Stock. In the event that Group II Directors and Group III Directors become Group I Directors pursuant to Article VI, paragraph (f), then each such director shall serve until the earliest of (i) the date such director's successor is elected and qualified and (ii) the date of such director's death, resignation, disqualification or removal. Elections of the members of the Board need not be by written ballot unless the Bylaws shall so provide.

ARTICLE VIII

Any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the actions to be so taken, shall be signed by both (i) the holders of stock of the Corporation having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of stock of the Corporation entitled to vote thereon were present and voted and (ii) each of the holders of a majority of the DHI Common Stock beneficially owned by the MD Stockholders and a majority of the DHI Common Stock beneficially owned by the SLP Stockholders, if any, that are stockholders at such time, and shall be delivered to the Corporation by delivery to its principal place of business or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings are recorded.

ARTICLE IX

Subject to any limitations set forth in this Certificate of Incorporation, including, without limitation, pursuant to Section 5.2(h)(2)(B), and to obtaining any required stockholder votes or consents required hereby, the Board of Directors is expressly authorized to amend, alter or repeal the Bylaws or adopt new Bylaws, without any action on the part of the stockholders; provided, that Bylaws adopted or amended by the Board of Directors and any powers thereby conferred may be amended, altered or repealed by the stockholders subject to any limitations set forth in this Certificate of Incorporation.

ARTICLE X

(a) A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for such liability as is expressly not subject to limitation under the DGCL, as the same exists or may hereafter be amended to further limit or eliminate such liability. Moreover, the Corporation shall, to the fullest extent permitted by law, indemnify any and all officers and directors of the Corporation, and may, to the fullest extent permitted by law or to such lesser extent as is determined in the discretion of the Board of Directors, indemnify any and all other persons whom it shall have power to indemnify, from and against all expenses, liabilities or other matters arising out of their status as such or their acts, omissions or services rendered in such capacities. The Corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability.

(b) Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a “proceeding”), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was or has agreed to become a director or officer of the Corporation or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another Corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving or having agreed to serve as a director or officer, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended, (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment) against all expense, liability and loss (including, without limitation, attorneys’ fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to serve in the capacity which initially entitled such person to indemnity hereunder and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors. The right to indemnification conferred in this Article X shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the DGCL requires, the payment of such expenses incurred by a current, former or proposed director or officer in his or her capacity as a director or officer or proposed director or officer (and not in any other capacity in which service was or is or has been agreed to be rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such indemnified person, to repay all amounts so advanced if it shall ultimately be determined that such indemnified person is not entitled to be indemnified under this Article X or otherwise.

(c) The Corporation may, by action of its Board of Directors, provide indemnification to employees and agents of the Corporation, individually or as a group, with the same scope and effect as the indemnification of directors and officers provided for in this Article X.

(d) If a written claim for advancement and payment of expenses received by the Corporation from or on behalf of an indemnified party under this Article X is not paid in full by the Corporation within ninety days after such receipt, or if a written claim for indemnification following final disposition of the applicable proceeding received by the Corporation by or on behalf of an indemnified party under this Article X is not paid in full by the Corporation within ninety days after such receipt, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the DGCL for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he

or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(e) The right to indemnification and the advancement and payment of expenses conferred in this Article X shall not be exclusive of any other right which any person may have or hereafter acquire under any law (common or statutory), provision of this Certificate of Incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

(f) The Corporation may maintain insurance, at its expense, to protect itself and any person who is or was serving as a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

(g) If this Article X or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and hold harmless each director and officer of the Corporation as to costs, charges and expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative to the full extent permitted by any applicable portion of this Article X that shall not have been invalidated and to the fullest extent permitted by applicable law.

ARTICLE XI

To the fullest extent permitted by the DGCL and subject to any express agreement that may from time to time be in effect, the Corporation acknowledges and agrees that any Covered Person may, and shall have no duty not to, (i) invest in, carry on and conduct, whether directly, or as a partner in any partnership, or as a joint venturer in any joint venture, or as an officer, director, stockholder, equityholder or investor in any Person, or as a participant in any syndicate, pool, trust or association, any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the Corporation or any of its Subsidiaries (which for all purposes of this Article XI shall include VMware and its subsidiaries), (ii) do business with any client, customer, vendor or lessor of any of the Corporation or its Affiliates, and/or (iii) make investments in any kind of property in which the Corporation may make investments. To the fullest extent permitted by the DGCL, the Corporation renounces any interest or expectancy to participate in any business or investments of any Covered Person as currently conducted or as may be conducted in the future, and waives any claim against a Covered Person and shall indemnify a Covered Person against any claim that such Covered Person is liable to the Corporation, any Subsidiary or their respective stockholders for breach of any fiduciary duty solely by reason of such Person's participation in any such business or investment. The Corporation shall pay in advance any expenses incurred in defense of such claim as provided in this provision. The Corporation hereby expressly acknowledges and agrees in the event that a Covered Person acquires knowledge of a potential transaction or matter which may constitute a corporate opportunity for both (x) the Covered Person outside of his or her capacity as an officer or director of the Corporation and (y) the Corporation or any Subsidiary, the Covered Person shall not have any duty to offer or communicate information regarding such corporate opportunity to the Corporation or any Subsidiary. To the fullest extent permitted by the DGCL, the Corporation hereby renounces any interest or expectancy in any potential transaction or matter of which the Covered Person acquires knowledge, except for any corporate opportunity which is expressly offered to a Covered Person in writing solely in his or her capacity as an officer or director of the Corporation or any Subsidiary, and waives any claim against each Covered Person and shall indemnify a Covered Person against any claim, that such Covered Person is liable to the Corporation, any Subsidiary or their respective stockholders for breach of any fiduciary duty solely by reason of the fact that such Covered Person (A) pursues or acquires any corporate opportunity for its own account or the account of any Affiliate or other Person, (B) directs, recommends, sells, assigns or otherwise transfers such corporate opportunity to another Person or (C) does not communicate information regarding such corporate opportunity to the Corporation or such Subsidiary; provided, however, in each such case, that any corporate opportunity which is expressly offered to a Covered Person in writing solely in his or her capacity as an officer or director of the Corporation shall belong to the Corporation. The Corporation shall pay

in advance any expenses incurred in defense of such claim as provided in this provision, except to the extent that a Covered Person is determined by a final, non-appealable order of a Delaware court having competent jurisdiction (or any other judgment which is not appealed in the applicable time) to have breached this Article XI, in which case any such advanced expenses shall be promptly reimbursed to the Corporation.

ARTICLE XII

(a) Subject to obtaining any required stockholder votes or consents provided for herein or in any Preferred Stock Series Resolution, the Corporation shall have the right, from time to time, to amend this Certificate of Incorporation or any provision thereof in any manner now or hereafter provided by law, and all rights and powers of any kind conferred upon a director or stockholder of the Corporation by this Certificate of Incorporation or any amendment thereof are conferred subject to such right.

(b) Notwithstanding anything herein to the contrary, (i) the affirmative vote of the holders of a majority of the then issued and outstanding shares of Class A Common Stock and (ii) the affirmative vote of the holders of a majority of the then issued and outstanding shares of Class B Common Stock shall be required (A) for any amendment, alteration or repeal (including by merger, consolidation or otherwise by operation of law) of Article V and/or Article VI hereof and, (B) for so long as the MD Stockholders or the SLP Stockholders own any Common Stock, for any amendment, alteration or repeal (including by merger, consolidation or otherwise by operation of law) of Article X, Article VI or this paragraph (b) of Article XII hereof.

(c) Notwithstanding anything herein to the contrary, the affirmative vote of the holders of a majority of the then issued and outstanding shares of Class C Common Stock shall be required for any amendment, alteration or repeal (including by merger, consolidation or otherwise by operation of law) of paragraph (b)(4) of Article VI hereof that would have a material adverse effect on the powers or special rights of the Class C Common Stock pursuant to such paragraph.

ARTICLE XIII

Unless the Corporation consents in writing to the selection of an alternative forum, the sole and exclusive forum for (A) any derivative action or proceeding brought on behalf of the Corporation, (B) any action asserting a claim of breach of a fiduciary duty owed by any director or officer or stockholder of the Corporation to the Corporation or the Corporation's stockholders, (C) any action asserting a claim against the Corporation or any director or officer or stockholder of the Corporation arising pursuant to any provision of the DGCL or this Certificate of Incorporation or the Bylaws, or (D) any action asserting a claim against the Corporation or any director or officer or stockholder of the Corporation governed by the internal affairs doctrine, shall be a state court located within the State of Delaware (or, if no state court located within the State of Delaware has jurisdiction, the federal district court for the District of Delaware).

ARTICLE XIV

The Corporation shall not be governed by or subject to Section 203 of the DGCL.

ARTICLE XV

CERTAIN DEFINITIONS

Unless the context otherwise requires, the terms defined in this Article XV will have, for all purposes of this Certificate of Incorporation, the meanings herein specified:

“**Affiliate**” means, with respect to any Person, any other Person that controls, is controlled by, or is under common control with such Person. The term “control” means the power to direct or cause the direction of the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise. The terms “controlled” and “controlling” have meanings correlative to the foregoing. Notwithstanding the foregoing, for purposes of this Certificate of Incorporation (except as used in Section 5.2(h)(2)) and the definition of “Excluded Transactions” provided in this Article XV, (i) the Corporation, its Subsidiaries and its other controlled Affiliates (including VMware and its subsidiaries) shall not be considered Affiliates of any of the Sponsor Stockholders or any of such party’s Affiliates (other than the Corporation, its Subsidiaries and its other controlled Affiliates), (ii) none of the MD Stockholders and the MSD Partners Stockholders, on the one hand, and/or the SLP Stockholders, on the other hand, shall be considered Affiliates of each other and (iii) except with respect to Article XI, none of the Sponsor Stockholders shall be considered Affiliates of (x) any portfolio company in which any of the Sponsor Stockholders or any of their investment fund Affiliates have made a debt or equity investment (and vice versa) or (y) any limited partners, non-managing members or other similar direct or indirect investors in any of the Sponsor Stockholders or their affiliated investment funds.

“**Aggregate Group II Director Votes**” means, as of the date of measurement:

(i) seven (7) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate of more than 35% of the issued and outstanding DHI Common Stock; or, so long as the foregoing subclause (i) is not applicable,

(ii) three (3) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock equal to more than 66 2/3% of the Reference Number;

(iii) two (2) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock equal to more than 33 1/3% but less than or equal to 66 2/3% of the Reference Number;

(iv) one (1) vote for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock equal to 10% or more but less than or equal to 33 1/3% of the Reference Number; and

(v) zero (0) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock representing less than 10% of the Reference Number;

provided, that subject to the immediately succeeding sentence, at any time that the MD Stockholders beneficially own a number of shares of DHI Common Stock equal to or greater than 1.5 times the number of shares of DHI Common Stock beneficially owned by the SLP Stockholders, the Aggregate Group II Director Votes will equal seven (7) votes. Notwithstanding anything in this definition of “Aggregate Group II Director Votes” to the contrary, on and after a Disabling Event and if at the commencement of such Disabling Event the SLP Stockholders beneficially own an aggregate number of shares of DHI Common Stock equal to at least 50% of the Reference Number, then the aggregate number of votes that the Group II Directors will be entitled to will be the lesser of (A) the number of votes that the Group II Directors would be entitled to without regard to this sentence and (B) that number of votes that then constitutes the Aggregate Group III Director Votes; provided, that if the Disabling Event is a Disability of MD, then this sentence shall cease to apply, and the number of votes of the Group II Directors and the Group III Directors shall be calculated without regard to this sentence, upon the cessation of such Disabling Event; provided, further, that following and during the continuance of a Disabling Event, if the MD Stockholders beneficially own at least a majority of the outstanding DHI Common Stock and an MD Stockholder enters into a Qualified Sale Transaction which requires approval of the Board of Directors, the number of votes of the Group II Directors and the Group III Directors with respect to the vote by the Board of Directors on any such Qualified Sale Transaction, definitive agreements and filings related thereto and/or the consummation thereof shall be determined without giving effect to such Disabling Event.

“**Aggregate Group III Director Votes**” means, as of the date of measurement:

SECTION 2.03 Notice of Stockholder Business and Nominations.

(A) Annual Meetings of Stockholders.

(1) Nominations of persons for election to the Board of Directors and the proposal of other business to be considered by the stockholders may be made at an annual meeting of stockholders only (a) as provided in the MD Stockholder Agreement, dated as of [●], 2018 between the Corporation and the stockholders party thereto (as the same may be amended, supplemented, restated or otherwise modified from time to time, the “MD Stockholders Agreement”), the SLP Stockholders Agreement, dated as of [●], 2018 between the Corporation and the stockholders party thereto (as the same may be amended, supplemented, restated or otherwise modified from time to time, the “SLP Stockholders”

Agreement” and together with the MD Stockholders Agreement, the “Sponsor Stockholders Agreements”), and the Corporation’s amended and restated certificate of incorporation as then in effect (as the same may be amended, supplemented, restated or otherwise modified from time to time, the “Amended and Restated Certificate of Incorporation”), (b) pursuant to the Corporation’s notice of meeting (or any supplement thereto) delivered pursuant to Section 2.04 of these Bylaws, (c) by or at the direction of the Board of Directors or any authorized committee thereof, or (d) by any stockholder of the Corporation who is entitled to vote at the meeting, who, subject to paragraph (C)(4) of this Section 2.03, complied with the notice procedures set forth in paragraphs (A)(2) and (A)(3) of this Section 2.03 and who is a stockholder of record both at the time such notice is delivered to the Secretary and on the record date for the meeting.

(2) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (d) of paragraph (A)(1) of this Section 2.03, the stockholder must have given timely notice thereof in writing to the Secretary, and, in the case of business other than nominations of persons for election to the Board of Directors, such other business must constitute a proper matter for stockholder action. To be timely, a stockholder’s notice shall be delivered to the Secretary at the principal executive offices of the Corporation not less than ninety (90) days nor more than one hundred and twenty (120) days prior to the first anniversary of the preceding year’s annual meeting; *provided, however*, that in the event that the date of the annual meeting is advanced by more than thirty (30) days, or delayed by more than seventy (70) days, from the anniversary date of the previous year’s meeting, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so delivered not earlier than one hundred and twenty (120) days prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. Public announcement of an adjournment or postponement of an annual meeting shall not commence a new time period (or extend any time period) for the giving of a stockholder’s notice. Notwithstanding anything in this Section 2.03(A)(2) to the contrary, if the number of directors to be elected to the Board of Directors at an annual meeting is increased and there is no public announcement by the Corporation naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred (100) calendar days prior to the first anniversary of the prior year’s annual meeting of stockholders, then a stockholder’s notice required by this Section shall be considered timely, but only with respect to nominees for any new positions created by such increase, if it is received by the Secretary not later than the close of business on the tenth (10th) calendar day following the day on which such public announcement is first made by the Corporation.

(3) Such stockholder’s notice shall set forth (a) in the case where a stockholder proposes to nominate an individual for election or re-election as a member of the Board of Directors, (i) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Section 14(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations promulgated thereunder, including such person’s written consent to being named in the proxy statement as a nominee and to serving as a director if elected, and (ii) a representation that the stockholder is a holder of record at the time of the giving of the notice and will be entitled to vote at such meeting (A) the requisite shares of Class A Common Stock, Class B Common Stock, Class C Common Stock or Class V Common Stock (each as defined in the Amended and Restated Certificate of Incorporation) if the nominee is nominated to be a Group I Director (as defined in the Amended and Restated Certificate of Incorporation), (B) the requisite shares of Class A Common Stock if the nominee is nominated to be a Group II Director (as defined in the Amended and Restated Certificate of Incorporation), (C) the requisite shares of Class B Common Stock if the nominee is nominated to be a Group III Director (as defined in the Amended and Restated Certificate of Incorporation), and/or (D) the requisite shares of Class C Common Stock if the nominee is nominated to be a Group IV Director (as defined in the Amended and Restated Certificate of Incorporation); (b) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Corporation’s books and records, and of such beneficial owner, (ii) the class or series and number of shares of capital stock of the Corporation that are owned, directly or indirectly, beneficially and of record by such stockholder and such beneficial owner, (iii) a representation that the

stockholder is a holder of record of the stock of the Corporation at the time of the giving of the notice, will be entitled to vote at such meeting and will appear in person or by proxy at the meeting to propose such business or nomination, (iv) a representation whether the stockholder or the beneficial owner, if any, will be or is part of a group that will (A) deliver a proxy statement and/or form of proxy to holders of at least the percentage of the voting power of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (B) otherwise solicit proxies or votes from stockholders in support of such proposal or nomination, (v) a certification regarding whether such stockholder and beneficial owner, if any, have complied with all applicable federal, state and other legal requirements in connection with the stockholder's and/or beneficial owner's acquisition of shares of capital stock or other securities of the Corporation and/or the stockholder's and/or beneficial owner's acts or omissions as a stockholder of the Corporation and (vi) any other information relating to such stockholder and beneficial owner, if any, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in an election contest pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder; (d) a description of any agreement, arrangement or understanding with respect to the nomination or proposal and/or the voting of shares of any class or series of stock of the Corporation between or among the stockholder giving the notice, the beneficial owner, if any, on whose behalf the nomination or proposal is made, any of their respective affiliates or associates and/or any others acting in concert with any of the foregoing (collectively, "proponent persons"); and (e) a description of any agreement, arrangement or understanding (including any contract to purchase or sell, the acquisition or grant of any option, right or warrant to purchase or sell or any swap or other instrument) to which any proponent person is a party, the intent or effect of which may be (i) to transfer to or from any proponent person, in whole or in part, any of the economic consequences of ownership of any security of the Corporation, (ii) to increase or decrease the voting power of any proponent person with respect to shares of any class or series of stock of the Corporation and/or (iii) to provide any proponent person, directly or indirectly, with the opportunity to profit or share in any profit derived from, or to otherwise benefit economically from, any increase or decrease in the value of any security of the Corporation. A stockholder providing notice of a proposed nomination for election to the Board of Directors or other business proposed to be brought before a meeting (whether given pursuant to this paragraph (A)(3) or paragraph (B) of this Section 2.03) shall update and supplement such notice from time to time to the extent necessary so that the information provided or required to be provided in such notice shall be true and correct (x) as of the record date for determining the stockholders entitled to notice of the meeting and (y) as of the date that is fifteen (15) days prior to the meeting or any adjournment or postponement thereof, *provided* that if the record date for determining the stockholders entitled to vote at the meeting is less than fifteen (15) days prior to the meeting or any adjournment or postponement thereof, the information shall be supplemented and updated as of such later date. Any such update and supplement shall be delivered in writing to the Secretary at the principal executive offices of the Corporation not later than five (5) days after the record date for determining the stockholders entitled to notice of the meeting (in the case of any update and supplement required to be made as of the record date for determining the stockholders entitled to notice of the meeting), not later than ten (10) days prior to the date for the meeting or any adjournment or postponement thereof (in the case of any update or supplement required to be made as of fifteen (15) days prior to the meeting or adjournment or postponement thereof) and not later than five (5) days after the record date for determining the stockholders entitled to vote at the meeting, but no later than the date prior to the meeting or any adjournment or postponement thereof (in the case of any update and supplement required to be made as of a date less than fifteen (15) days prior the date of the meeting or any adjournment or postponement thereof). The foregoing notice requirements of this Section 2.03 shall be deemed satisfied by a stockholder with respect to business other than a nomination of a person for election to the Board of Directors if the stockholder has notified the Corporation of the stockholder's intention to present a proposal at an annual meeting in compliance with applicable rules and regulations promulgated under the Exchange Act and such stockholder's proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation and to determine the independence of such director under the Exchange Act and rules and regulations thereunder and applicable stock exchange rules.

(B) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (1) as provided in the Sponsor Stockholders Agreements and the Amended and Restated Certificate of Incorporation, (2) by or at the direction of the Board of Directors or any

committee thereof or (3) *provided* that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who is entitled to vote at the meeting, who (subject to paragraph (C)(4) of this Section 2.03) complies with the notice procedures set forth in this Section 2.03 and who is a stockholder of record both at the time such notice is delivered to the Secretary and on the record date for the meeting. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting if the stockholder's notice as required by paragraph (A)(2) of this Section 2.03 shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(C) General. (1) Except as provided in paragraph (C)(4) of this Section 2.03, only such persons who are nominated in accordance with the procedures set forth in this Section 2.03 or the Sponsor Stockholders Agreements shall be eligible to serve as directors and only such business shall be conducted at an annual or special meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 2.03. Except as otherwise provided by applicable law, the Amended and Restated Certificate of Incorporation or these Bylaws, the chairman of the meeting shall, in addition to making any other determination that may be appropriate for the conduct of the meeting, have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in these Bylaws and, if any proposed nomination or business is not in compliance with these Bylaws, to declare that such defective proposal or nomination shall be disregarded. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the chairman of the meeting. The Board of Directors may adopt by resolution such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chairman of the meeting shall have the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may include the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to stockholders entitled to vote at the meeting, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants and on stockholder approvals. Notwithstanding the foregoing provisions of this Section 2.03, unless otherwise required by applicable law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 2.03, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

(3) Notwithstanding the foregoing provisions of this Section 2.03, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 2.03; *provided, however*, that, to the fullest extent permitted by applicable law, any references in these Bylaws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to these Bylaws (including paragraphs (A)(1)(d) and (B) hereof), and compliance with paragraphs (A)(1)(d) and (B) of this Section 2.03 shall be the exclusive means for a stockholder to make nominations or submit other business (other than, as provided in the penultimate sentence of paragraph (C)(3) of this Section 2.03, business other than nominations brought properly under and in compliance with Rule 14a-8 under the Exchange Act, as may be amended from time to time). Nothing in these Bylaws shall be deemed to affect any rights of the holders of any class or series of stock having a preference over the common stock of the Corporation as to dividends or upon liquidation to elect directors under specified circumstances.

(4) Notwithstanding anything to the contrary contained in this Section 2.03, (a) for as long as the MD Stockholders Agreement remains in effect with respect to the MD Stockholders (as defined in the Amended and Restated Certificate of Incorporation), the MD Stockholders shall not be subject to the notice procedures set forth in paragraph (A)(2), (A)(3) or (B) of this Section 2.03 with respect to any annual or special meeting of stockholders and (b) for as long as the SLP Stockholders Agreement remains in effect with respect to the SLP Stockholders (as defined in the Amended and Restated Certificate of Incorporation), the SLP Stockholders shall not be subject to the notice procedures set forth in paragraph (A)(2), (A)(3) or (B) of this Section 2.03 with respect to any annual or special meeting of stockholders.

Unless otherwise provided by applicable law, the Amended and Restated Certificate of Incorporation or these Bylaws, the notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting as of the record date for determining the stockholders entitled to notice of the meeting.

SECTION 2.05 Quorum. Unless otherwise required by applicable law, the Amended and Restated Certificate of Incorporation or the rules of any stock exchange upon which the Corporation's securities are listed, the holders of record of a majority of the voting power of the issued and outstanding shares of capital stock of the Corporation entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum for the transaction of business at all meetings of stockholders. Notwithstanding the foregoing, where a separate vote by a class or series or classes or series is required, a majority in voting power of the outstanding shares of such class or series or classes or series, present in person or represented by proxy, shall constitute a quorum entitled to take action with respect to the vote on that matter. Once a quorum is present to organize a meeting, it shall not be broken by the subsequent withdrawal of any stockholders.

SECTION 2.06 Proxies. Each stockholder entitled to vote at a meeting of stockholders or to express consent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy in any manner provided by applicable law, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy that is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary a revocation of the proxy or a new proxy bearing a later date. Unless required by the Amended and Restated Certificate of Incorporation or applicable law, or determined by the chairman of the meeting to be advisable, the vote on any question need not be by ballot. On a vote by ballot, each ballot shall be signed by the stockholder voting, or by such stockholder's proxy, if there be such a proxy. When a quorum is present or represented at any meeting, the vote of the holders of a majority of the voting power of the shares of stock present in

person or represented by proxy and entitled to vote on the subject matter shall decide any question brought before such meeting, unless the question is one upon which, by express provision of applicable law, of the rules or regulations of any stock exchange applicable to the Corporation, of any regulation applicable to the Corporation or its securities, of the Amended and Restated Certificate of Incorporation or of these Bylaws, a different vote is required, in which case such express provision shall govern and control the decision of such question. Notwithstanding the foregoing sentence and subject to the Amended and Restated Certificate of Incorporation, all elections of directors shall be determined by a plurality of the votes cast in respect of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

SECTION 2.07 Chairman of Meetings. The Chairman of the Board of Directors, if one is elected, or, in his or her absence or upon his or her disability, a person designated by the Board of Directors shall be the chairman of the meeting and, as such, preside at all meetings of the stockholders.

SECTION 2.08 Secretary of Meetings. The Secretary shall act as secretary at all meetings of the stockholders. In the absence or disability of the Secretary, the chairman of the meeting shall appoint a person to act as secretary at such meetings.

SECTION 2.09 Consent of Stockholders in Lieu of Meeting. Any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote only to the extent permitted by and in the manner provided in the Amended and Restated Certificate of Incorporation and in accordance with the DGCL.

SECTION 2.10 Adjournment. At any meeting of stockholders of the Corporation, if less than a quorum be present, the chairman of the meeting or stockholders holding a majority in voting power of the shares of stock of the Corporation, present in person or by proxy and entitled to vote thereat on the matters in question, shall have the power to adjourn the meeting from time to time without notice other than announcement at the meeting until a quorum shall be present. Any business may be transacted at the adjourned meeting that might have been transacted at the meeting originally noticed. If the adjournment is for more than thirty (30) days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment a new record date for determination of stockholders entitled to vote is fixed for the adjourned meeting, the Board of Directors shall fix as the record date for determining stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for the determination of stockholders entitled to vote at the adjourned meeting, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date so fixed for notice of such adjourned meeting.

SECTION 2.11 Remote Communication. If authorized by the Board of Directors in its sole discretion, and subject to such guidelines and procedures as the Board of Directors may adopt, stockholders and proxy holders not physically present at a meeting of stockholders may, by means of remote communication:

(a) participate in a meeting of stockholders; and

(b) be deemed present in person and vote at a meeting of stockholders whether such meeting is to be held at a designated place or solely by means of remote communication, *provided* that

(i) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxyholder;

(ii) the Corporation shall implement reasonable measures to provide such stockholders and proxyholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and

(iii) if any stockholder or proxyholder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

SECTION 2.12 Inspectors of Election. The Corporation may, and shall if required by applicable law, in advance of any meeting of stockholders, appoint one or more inspectors of election, who may be employees of the Corporation, to act at the meeting or any adjournment thereof and to make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. In the event that no inspector so appointed or designated is able to act at a meeting of stockholders, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath to execute faithfully the duties of inspector with strict impartiality and according to the best of his or her ability. The inspector or inspectors so appointed or designated shall (a) ascertain the number of shares of capital stock of the Corporation outstanding and the voting power of each such share, (b) determine the shares of capital stock of the Corporation represented at the meeting and the validity of proxies and ballots, (c) count all votes and ballots, (d) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors and (e) certify their determination of the number of shares of capital stock of the Corporation represented at the meeting and such inspectors' count of all votes and ballots. Such certification and report shall specify such other information as may be required by applicable law. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders of the Corporation, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election.

ARTICLE III

BOARD OF DIRECTORS

SECTION 3.01 Powers. Except as otherwise provided by the Amended and Restated Certificate of Incorporation or the DGCL, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. The Board of Directors may exercise all such authority and powers of the Corporation and do all such lawful acts and things as are not by the DGCL or the Amended and Restated Certificate of Incorporation directed or required to be exercised or done by the stockholders.

SECTION 3.02 Number and Term; Chairman. The Board of Directors shall consist of such number of directors, not less than three (3) nor more than twenty-one (21), as shall from time to time be fixed by resolution of the Board of Directors, subject to the provisions of the Amended and Restated Certificate of Incorporation and the Sponsor Stockholders Agreements; *provided, however*, that (a) the number of Group IV Directors shall be one (1) and (b) the number of Group I Directors shall not be less than three (3) nor more than twenty (20). The term of each director shall be as set forth in the Amended and Restated Certificate of Incorporation. Directors need not be stockholders. The Board of Directors shall elect a Chairman of the Board of Directors, who shall have the powers and perform such duties as provided in these Bylaws and as the Board of Directors may from time to time prescribe. The Chairman of the Board of Directors shall preside at all meetings of the Board of Directors at which he or she is present. If the Chairman of the Board of Directors is not present at a meeting of the Board of Directors, directors representing a majority of the voting power of the directors present at such meeting shall elect one (1) of their members to preside.

SECTION 3.03 Resignations. Any director may resign at any time upon notice given in writing or by electronic transmission to the Board of Directors, the Chairman of the Board of Directors, the Chief Executive Officer of the Corporation or the Secretary. The resignation shall take effect at the time specified therein, and if no time is specified, at the time of its receipt. The acceptance of a resignation shall not be necessary to make it effective unless otherwise expressly provided in the resignation.

SECTION 3.04 Removal. Directors of the Corporation may be removed in the manner provided in the Amended and Restated Certificate of Incorporation and the DGCL.

SECTION 3.05 Vacancies and Newly Created Directorships. Except as otherwise provided by applicable law, vacancies occurring in any directorship (whether by death, resignation, retirement, disqualification, removal or other cause) and newly created directorships resulting from any increase in the number of directors shall be filled in accordance with the Amended and Restated Certificate of Incorporation and the Sponsor Stockholders Agreements. Any director elected to fill a vacancy or newly created directorship shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified, or until his or her earlier death, resignation, retirement, disqualification or removal.

SECTION 3.06 Meetings. Regular meetings of the Board of Directors may be held at such places and times as shall be determined from time to time by the Board of Directors. Special meetings of the Board of Directors may be called by the Chairman of the Board of Directors and shall be called by the Chief Executive Officer or the Secretary if directed by directors representing a majority of the voting power of the Board of Directors, and any such meeting shall be at such place, date and time as may be fixed by the person or persons at whose direction the meeting is called. Notwithstanding the foregoing, to the extent the Group II Directors and/or the Group III Directors are permitted or required to approve any matter or take any action without the participation of any other members of the Board of Directors, a special meeting may be called by members representing a majority of the voting power of all Group II Directors and/or Group III Directors, as the case may be. Notice need not be given of regular meetings of the Board of Directors. At least forty-eight (48) hours before each special meeting of the Board of Directors, either written notice, notice by electronic transmission or oral notice (either in person or by telephone) of the time, date and place of the meeting shall be given to each director entitled to attend such meeting. Unless otherwise indicated in the notice thereof, any and all business may be transacted at a special meeting.

SECTION 3.07 Quorum, Voting and Adjournment. Unless otherwise provided in the Amended and Restated Certificate of Incorporation, the attendance as contemplated in any manner permitted by the DGCL, of (A) members of the Board of Directors who are entitled to vote a majority of the aggregate number of votes of the total number of directors of the Board of Directors, (B) at least one of the Group II Directors for so long as the MD Stockholders (as defined in the Amended and Restated Certificate of Incorporation) are entitled to nominate at least one such director and (C) at least one of the Group III Directors for so long as the SLP Stockholders are entitled to nominate at least one such director shall constitute a quorum for the transaction of business of the Board of Directors, and the affirmative vote of a majority of the aggregate number of votes of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. Notwithstanding the immediately preceding sentence, but subject to this Section 3.07, if a quorum does not exist at any meeting of a Board of Directors due solely to the lack of attendance of at least one Group II Director and/or one Group III Director at a properly called meeting of the Board of Directors, (x) such meeting shall be adjourned and, following notice to all members of the Board of Directors in accordance with Section 3.06 as if such adjournment were a newly called special meeting, recalled for the same purpose on a date not less than four (4) calendar days (or two (2) calendar days solely in the event that a bona fide emergency would result in a material adverse effect on the Corporation and its Subsidiaries (as defined in the Amended and Restated Certificate of Incorporation), taken as a whole) and not more than ten (10) calendar days from the date of adjournment, and (y) the attendance of at least one Group II Director and one Group III Director shall not be required to establish a quorum for such recalled meeting (so long as the purpose and agenda of such recalled meeting are identical to those of the adjourned meeting and no matters not set forth on such agenda are considered at such meeting, and so long as a quorum is otherwise present at such recalled meeting); *provided* that in no event may such adjourned meeting be convened unless there are present directors entitled to cast at least one-third of the aggregate number of votes of the total number of directors of the Board of Directors. Each director shall be entitled to a number of votes as determined pursuant to the Amended and Restated Certificate of Incorporation.

SECTION 3.08 Action Without a Meeting. Unless otherwise restricted by the Amended and Restated Certificate of Incorporation, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if all members of the Board of Directors or any committee thereof, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed in the minutes of proceedings of the Board of Directors. Such filing shall be in paper form if the minutes are maintained in paper form or shall be in electronic form if the minutes are maintained in electronic form.

SECTION 3.09 Remote Meeting. Unless otherwise restricted by the Amended and Restated Certificate of Incorporation, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting by means of conference telephone or other communications equipment in which all persons participating in the meeting can hear each other. Participation in a meeting by means of conference telephone or other communications equipment shall constitute presence in person at such meeting.

SECTION 3.10 Compensation. The Board of Directors shall have the authority to fix the compensation, including fees and reimbursement of expenses, of directors for services to the Corporation in any capacity. Notwithstanding the foregoing, the Corporation shall reimburse the Sponsor Stockholders in connection with meetings of the Board of Directors and its committees as provided in the Sponsor Stockholders Agreements.

SECTION 3.11 Reliance on Books and Records. A member of the Board of Directors, or a member of any committee designated by the Board of Directors, shall, in the performance of such person's duties, be fully protected in relying in good faith upon records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of the Corporation's officers or employees, or committees of the Board of Directors, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

ARTICLE IV

COMMITTEES

SECTION 4.01 Committees; Committee Rules. Subject to the provisions of the Sponsor Stockholders Agreements, the Board of Directors may designate from time to time one or more committees, including, without limitation, an Audit Committee, a Capital Stock Committee and such other committees as may be required by the Sponsor Stockholders Agreements, each such committee to consist of one or more of the directors of the Corporation, in each case subject to the provisions of the Sponsor Stockholders Agreements. The Board of Directors may designate one or more directors as alternate members of any committee to replace any absent or disqualified member at any meeting of the committee, in each case subject to the provisions of the Sponsor Stockholders Agreements. Any such committee, to the extent provided in the resolution of the Board of Directors establishing such committee and consistent with the provisions of the Sponsor Stockholders Agreements, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers that may require it; but no such committee shall have the power or authority in reference to the following matters: (a) approving or adopting, or recommending to the stockholders, any action or matter (other than the election or removal of directors) expressly required by the DGCL to be submitted to stockholders for approval or (b) adopting, amending or repealing any Bylaw of the Corporation. All committees of the Board of Directors shall keep minutes of their meetings and shall report their proceedings to the Board of Directors when requested or required by the Board of Directors. Each committee of the Board of Directors may fix its own rules of procedure and shall hold its meetings as provided by such rules, except as may otherwise be provided by a resolution of the Board of Directors designating such committee and in each case consistent with the provisions of the Sponsor Stockholders Agreements. Unless otherwise provided in such a resolution, the presence of directors representing a majority of the voting power of the members of the committee shall be necessary to constitute a quorum, *provided* that (i) if a committee has one or more Group II Directors as its members, the presence of at least one Group II Director shall be necessary to constitute a quorum and (ii) if a committee has one or more Group III Directors as its members, the presence of at least one Group III Director shall be necessary to constitute a quorum; and, unless otherwise provided in these Bylaws or the Sponsor Stockholders Agreements, all matters shall be determined by a vote of members representing a majority of the voting power of the members present at a meeting of the committee at which a quorum is present. Unless otherwise provided in such a resolution, in the event that a member and that member's alternate, if alternates are designated by the Board of Directors, of such committee is or are absent or disqualified, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in place of any such absent or disqualified member consistent with the provisions of the Sponsor Stockholders Agreements.

SECTION 4.02 Capital Stock Committee. For so long as any shares of Class V Common Stock remain outstanding, the Board of Directors shall maintain a Capital Stock Committee, which committee shall consist of at least three members, and shall at all times be composed of directors a majority of whom the Board of Directors has determined satisfy the independence requirements required to serve on the audit committee of a company listed on the principal securities exchange on which the Class V Common Stock is listed or, if the Class V Common Stock is not so listed, then of a company listed on the New York Stock Exchange. Each member of the Capital Stock Committee shall have one vote on all matters to come before the committee.

The Capital Stock Committee shall have and may exercise such powers, authority and responsibilities as may be granted by the Board of Directors in connection with the adoption of general policies governing the relationship between business groups or otherwise, including such powers, authority and responsibilities as are granted by the

Board of Directors with respect to, among other things: (a) the business and financial relationships between the DHI Group (or any business or subsidiary allocated thereto) and the Class V Group (or any business or subsidiary allocated thereto) and (b) any matters arising in connection therewith. In addition, the Board of Directors shall not approve any (i) investment made by or attributed to the Class V Group, including any investment of any dividends received on the VMware, Inc. shares attributed to the Class V Group, other than (A) investments made by VMware, Inc. or (B) any reallocation related to the Retained Interest Dividend Amount or Retained Interest Redemption Amount, (ii) allocation of any acquired assets, businesses or liabilities to the Class V Group, (iii) allocation or reallocation of any assets, businesses or liabilities from one Group to the other (other than a pledge of any assets of one Group to secure obligations of the other, or any foreclosure on the assets subject to such a pledge), or (iv) resolution, or the submission to the shareholders of the Company of any resolution, setting forth an amendment to the Amended and Restated Certificate of Incorporation to increase the number of authorized shares of Class V Common Stock or any series thereof at any time the common stock of VMware, Inc. is publicly traded on a U.S. securities exchange and VMware, Inc. is required to file reports under Sections 13 and 15(d) of the Exchange Act, in the case of each of clause (i)-(iv), without the consent of the Capital Stock Committee. Any Board of Directors determination to amend, modify or rescind such general policies shall be effective only with the approval of the Capital Stock Committee.

Notwithstanding anything to the contrary contained herein, for so long as any shares of Class V Common Stock remain outstanding, this Section 4.02 shall not be amended or repealed (A) by the stockholders of the Corporation unless such action has received the affirmative vote of the holders of record (other than shares held by the Corporation's Affiliates (as defined in the Amended and Restated Certificate of Incorporation), as of the record date for the meeting at which such vote is taken, of (i) Class V Common Stock representing a majority of the aggregate voting power (other than shares held by the Corporation's Affiliates) of Class V Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon voting together as a separate class and (ii) Common Stock representing a majority of the aggregate voting power of Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon or (B) by any action of the Board of Directors.

For purposes of this Section 4.02, all capitalized terms used in this Section 4.02 but not defined herein shall have the respective meanings assigned thereto in the Amended and Restated Certificate of Incorporation.

ARTICLE V

The Treasurer shall disburse the funds of the Corporation, taking proper vouchers therefor. He or she shall render to the Chief Executive Officer and the Board of Directors, upon their request, a report of the financial condition of the Corporation. If required by the Board of Directors, the Treasurer shall give the Corporation a bond for the faithful discharge of his or her duties in such amount and with such surety as the Board of Directors shall prescribe.

In addition, the Treasurer shall have such further powers and perform such other duties incident to the office of Treasurer as from time to time are assigned to him or her by the Chief Executive Officer or the Board of Directors.

The Secretary shall: (a) cause minutes of all meetings of the stockholders and directors to be recorded and kept properly; (b) cause all notices required by these Bylaws or otherwise to be given properly; (c) see that the minute books, stock books and other nonfinancial books, records and papers of the Corporation are kept properly; and (d) cause all reports, statements, returns, certificates and other documents to be prepared and filed when and as required. ARTICLE VI

STOCK

SECTION 6.01 Shares With Certificates. The shares of stock of the Corporation shall be represented by certificates, *provided* that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of the Corporation's stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Every holder of stock in the Corporation represented by certificates shall be entitled to have a certificate signed by, or in the name of the Corporation by, (a) the Chairman of the Board of Directors, any Vice Chairman of the Board of Directors, the President or a Vice President and (b) the Treasurer, an Assistant Treasurer, the Secretary or an Assistant Secretary, certifying the number and class of shares of stock of the Corporation owned by such holder. Any or all of the signatures on the certificate may be a facsimile. The Board of Directors shall have the power to appoint one or more transfer agents and/or registrars for the transfer or registration of certificates of stock of any class and may require stock certificates to be countersigned or registered by one or more of such transfer agents and/or registrars.

SECTION 6.02 Shares Without Certificates. If the Board of Directors chooses to issue shares of stock without certificates, the Corporation, if required by the DGCL, shall, within a reasonable time after the issue or transfer of shares without certificates, send the stockholder a written statement of the information required by the DGCL. The Corporation may adopt a system of issuance, recordation and transfer of its shares of stock by electronic or other means not involving the issuance of certificates, *provided* that the use of such system by the Corporation is permitted in accordance with applicable law.

SECTION 6.03 Transfer of Shares. Shares of stock of the Corporation shall be transferable upon its books by the holders thereof, in person or by their duly authorized attorneys or legal representatives in the manner prescribed by law, the Amended and Restated Certificate of Incorporation, these Bylaws and the Sponsor Stockholders Agreements, upon surrender to the Corporation by delivery thereof (to the extent evidenced by a physical stock certificate) to the person in charge of the stock and transfer books and ledgers. Certificates representing such shares, if any, shall be cancelled and new certificates, if the shares are to be certificated, shall thereupon be issued. Shares of capital stock of the Corporation that are not represented by a certificate shall be transferred in accordance with applicable law. A record shall be made of each transfer. Whenever any transfer of shares shall be made for collateral security, and not absolutely, it shall be so expressed in the entry of the transfer if, when the certificates are presented for transfer or uncertificated shares are requested to be transferred, both the transferor and transferee request the Corporation to do so. The Board of Directors shall have power and authority to make such rules and regulations as it may deem necessary or proper concerning the issue, transfer and registration of shares of stock of the Corporation.

SECTION 6.04 Lost, Stolen, Destroyed or Mutilated Certificates. A new certificate of stock or uncertificated shares may be issued in the place of any certificate previously issued by the Corporation alleged to have been lost, stolen or destroyed, and the Corporation may, in its discretion, require the owner of such lost, stolen or destroyed certificate, or his or her legal representative, to give the Corporation a bond, in such sum as the Corporation may direct, in order to indemnify the Corporation against any claims that may be made against it in connection therewith. A new

certificate or uncertificated shares of stock may be issued in the place of any certificate previously issued by the Corporation that has become mutilated upon the surrender by such owner of such mutilated certificate and, if required by the Corporation, the posting of a bond by such owner in an amount sufficient to indemnify the Corporation against any claim that may be made against it in connection therewith.

SECTION 6.05 List of Stockholders Entitled To Vote. The officer who has charge of the stock ledger shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting (*provided, however*, that if the record date for determining the stockholders entitled to vote is less than ten (10) days before the date of the meeting, the list shall reflect the stockholders entitled to vote as of the tenth (10th) day before the meeting date), arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting at least ten (10) days prior to the meeting (a) on a reasonably accessible electronic network; *provided* that the information required to gain access to such list is provided with the notice of meeting or (b) during ordinary business hours at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then, in addition to the foregoing requirements, a list of stockholders entitled to vote at the meeting shall be produced and kept at the time and place of the meeting during the whole time thereof and may be examined by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then, in addition to the foregoing requirements, the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Except as otherwise provided by applicable law, the stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list of stockholders required by this Section 5.05 or to vote in person or by proxy at any meeting of stockholders.

SECTION 6.06 Fixing Date for Determination of Stockholders of Record.

(a) In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall, unless otherwise required by applicable law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; *provided, however*, that the Board of Directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance herewith at the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall not be more than sixty (60) days prior to such action. If no such record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

(c) Unless otherwise restricted by the Amended and Restated Certificate of Incorporation, in order that the Corporation may determine the stockholders entitled to express consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than

ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date for determining stockholders entitled to express consent to corporate action in writing without a meeting is fixed by the Board of Directors, (i) when no prior action of the Board of Directors is required by applicable law, the record date for such purpose shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation in accordance with applicable law, and (ii) if prior action by the Board of Directors is required by applicable law, the record date for such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

SECTION 6.07 Registered Stockholders. Prior to the surrender to the Corporation of the certificate or certificates for a share or shares of stock or notification to the Corporation of the transfer of uncertificated shares with a request to record the transfer of such share or shares, to the fullest extent permitted by applicable law, the Corporation may treat the registered owner of such share or shares as the person entitled to receive dividends, to vote, to receive notifications and otherwise to exercise all the rights and powers of an owner of such share or shares. To the fullest extent permitted by applicable law, the Corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof.

ARTICLE VII

NOTICE AND WAIVER OF NOTICE

SECTION 7.01 Notice. If mailed, notice to stockholders shall be deemed given when deposited in the mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the Corporation. Without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to stockholders may be given by electronic transmission in the manner provided in Section 232 of the DGCL.

SECTION 7.02 Waiver of Notice. A written waiver of any notice, signed by a stockholder or director, or waiver by electronic transmission by such person, whether given before or after the time of the event for which notice is to be given, shall be deemed equivalent to the notice required to be given to such person. Neither the business nor the purpose of any meeting need be specified in such a waiver. Attendance at any meeting (in person or by remote communication) shall constitute waiver of notice except attendance for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

ARTICLE VIII

INDEMNIFICATION

SECTION 8.01 Right to Indemnification. Each person who was or is a party, is threatened to be made a party to, or is otherwise involved in, as a witness or otherwise, any threatened, pending or completed action, suit or proceeding (brought in the right of the Corporation or otherwise), whether civil, criminal, administrative or investigative and whether formal or informal, including any and all appeals (hereinafter a "proceeding"), by reason of the fact that he or she is or was or has agreed to become a director or an officer of the Corporation, or while serving as a director or officer of the Corporation, is or was serving or has agreed to serve at the request of the Corporation as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, fiduciary, partner or manager or similar capacity) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (each, a "Person"), or by reason of any action alleged to have been taken or omitted by such person in any such capacity or in any other capacity while serving or having agreed to serve as a director, officer, employee or agent (hereinafter an "indemnitee"), shall be indemnified and held harmless by the Corporation to the fullest extent permitted by the DGCL, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than the DGCL permitted the Corporation to provide prior to such amendment), from and against all loss and liability suffered and expenses (including, without limitation, attorneys' fees, costs and expenses), judgments, fines ERISA excise taxes or penalties and amounts paid or to be paid in settlement actually and reasonably incurred by or on behalf of an indemnitee in connection with such action, suit or proceeding, including any appeals or suffered by such indemnitee in connection therewith and such indemnification shall continue as to an indemnitee who has

ceased to serve in the capacity which initially entitled such indemnitee to indemnity hereunder and shall inure to the benefit of his or her heirs, executors and administrators; *provided, however*, that, except as provided in Section 8.03 with respect to proceedings to enforce rights to indemnification or advancement of expenses or with respect to any compulsory counterclaim brought by such indemnitee, the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board of Directors; *provided, further*, that the Corporation shall not be obligated under this Section 8.01: (a) to indemnify an indemnitee under these Bylaws for any amounts paid in settlement of an action, suit or proceeding unless the Corporation consents to such settlement, which consent shall not be unreasonably withheld, delayed or conditioned, or (b) to indemnify an indemnitee for any disgorgement of profits made from the purchase or sale by indemnitee of securities of the Corporation under Section 16(b) of the Exchange Act.

In addition, subject to Section 8.04, the Corporation shall not be liable under this Article VIII to make any payment of amounts otherwise indemnifiable hereunder (including, without limitation, judgments, fines and amounts paid in settlement) if and to the extent that the indemnitee has otherwise actually received such payment under this Article VIII or any insurance policy, contract, agreement or otherwise.

SECTION 8.02 Right to Advancement of Expenses. In addition to the right to indemnification conferred in Section 8.01, an indemnitee shall also have the right, to the fullest extent permitted by the DGCL, to be paid by the Corporation the expenses (including attorney's fees, costs and expenses) incurred by the indemnitee in appearing at, participating in or defending, or otherwise arising out of or related to, any action, suit or proceeding in advance of its final disposition or in connection with a proceeding brought to establish or enforce a right to indemnification or advancement of expenses under this Article VIII pursuant to Section 8.03 (hereinafter an "advancement of expenses"); *provided, however*, that,

(a) if the DGCL requires or in the case of an advance made in a proceeding brought to establish or enforce a right to indemnification or advancement, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer or proposed director or officer (and not in any other capacity in which service was or is or has been agreed to be rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made solely upon delivery to the Corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay any amounts so advanced (without interest) to the extent that it is determined by final judicial decision from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified or entitled to advancement of expenses under Sections 8.01 and 8.02 or otherwise;

(b) with respect to any action suit or proceeding of which the Corporation is so notified, the Corporation shall be entitled to assume the defense of such action, suit or proceeding, with counsel reasonably acceptable to indemnitee, upon the delivery to indemnitee of written notice of its election to do so.

SECTION 8.03 Right of Indemnitee to Bring Suit. In the event that (i) following a final adjudication, the Corporation determines in accordance with this Article VIII that the indemnitee is not entitled to indemnification, (ii) following a final adjudication, the Corporation denies a request for indemnification, in whole or in part, or fails to respond or make a determination of entitlement to indemnification within thirty (30) days following receipt of a request for indemnification as described above, (iii) payment of a claim under Section 8.01 or 8.02 is not paid in full by the Corporation within (a) ninety (90) days after a written claim for indemnification has been received by the Corporation following a final adjudication or (b) fifteen (15) days after a written claim for an advancement of expenses has been received by the Corporation or (iv) any other person takes or threatens to take any action designed to deny, or to recover from, the indemnitee the benefits provided or intended to be provided to the indemnitee under this Article VIII, the indemnitee shall be entitled to an adjudication in any court of competent jurisdiction of his or her entitlement to such indemnification or advancement of expenses, as applicable. To the fullest extent permitted by applicable law, if successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the indemnitee shall be entitled to be paid also the expense (including attorneys' fees, costs and expenses) of prosecuting or defending such suit. In (i) any suit brought by the indemnitee to enforce a right to indemnification hereunder following a final adjudication (but not in a suit brought by the indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (ii) any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that,

the indemnitee has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel or the Corporation's stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel or the Corporation's stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article VIII or otherwise shall be on the Corporation.

SECTION 8.04 Indemnification Not Exclusive. (a) The provisions for indemnification to or the advancement of expenses and costs to any indemnitee under this Article VIII, or the entitlement of any indemnitee to indemnification or advancement of expenses and costs under this Article VIII, shall not limit or restrict in any way the power of the Corporation to indemnify or advance expenses and costs to such indemnitee in any other way permitted by applicable law or be deemed exclusive of, or invalidate, any right to which any indemnitee seeking indemnification or advancement of expenses and costs may be entitled under any law, the Amended and Restated Certificate of Incorporation, other agreements or arrangements, vote of stockholders or disinterested directors or otherwise, both as to action in such indemnitee's capacity as an officer, director, employee or agent of the Corporation and as to action in any other capacity.

(b) Given that certain jointly indemnifiable claims (as defined below) may arise due to the service of the indemnitee as a director and/or officer of the Corporation at the request of the indemnitee-related entities (as defined below), or by reason of any action alleged to have been taken or omitted in any such capacity, the Corporation shall be fully and primarily responsible for payments to the indemnitee in respect of indemnification or advancement of expenses in connection with any such jointly indemnifiable claims, pursuant to and in accordance with the terms of (i) the DGCL, (ii) the Amended and Restated Certificate of Incorporation, (iii) this Article VIII, (iv) any other agreement between the Corporation or any of the Corporation's Affiliates (as defined in the Amended and Restated Certificate of Incorporation) and the indemnitee pursuant to which the indemnitee is indemnified, (v) the laws of the jurisdiction of incorporation or organization of the Corporation or any of its Affiliates and/or (vi) the certificate of incorporation, certificate of organization, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or other organizational or governing documents of the Corporation or any of its Affiliates irrespective of any right of recovery the indemnitee may have from the indemnitee-related entities. Under no circumstance shall the Corporation or any of its Affiliates be entitled to any right of subrogation or contribution by the indemnitee-related entities and no right of advancement or recovery the indemnitee may have from the indemnitee-related entities shall reduce or otherwise alter the rights of the indemnitee or the obligations of the Corporation or any of its Affiliates hereunder. In the event that any of the indemnitee-related entities shall make any payment to the indemnitee in respect of indemnification or advancement of expenses with respect to any jointly indemnifiable claim, the indemnitee-related entity making such payment shall be subrogated to the extent of such payment to all of the rights of recovery of the indemnitee against the Corporation, and the indemnitee shall execute all papers reasonably required and shall do all things that may be reasonably necessary to secure such rights, including the execution of such documents as may be necessary to enable the indemnitee-related entities effectively to bring suit to enforce such rights. Each of the indemnitee-related entities shall be third-party beneficiaries with respect to this Section 8.04(b) and entitled to enforce this Section 8.04(b).

For purposes of this Section 8.04(b), the following terms shall have the following meanings:

(1) The term "indemnitee-related entities" means any corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (other than the Corporation or any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise for which the indemnitee has agreed, on behalf of the Corporation or at the Corporation's request, to serve as a director, officer, employee or agent and which service is covered by the indemnity described herein) from whom an indemnitee may be entitled to indemnification or advancement of expenses with respect to which, in whole or in part, the Corporation may also have an indemnification or advancement obligation (other than as a result of obligations under an insurance policy).

(2) The term “jointly indemnifiable claims” shall be broadly construed and shall include, without limitation, any action, suit or proceeding for which the indemnitee shall be entitled to indemnification or advancement of expenses from both the Corporation and any indemnity-related entity pursuant to the DGCL, any agreement with and/or any certificate of incorporation, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or comparable organizational documents of the Corporation or the indemnitee-related entities, as applicable.

SECTION 8.05 Nature of Rights. The rights conferred upon indemnitees in this Article VIII shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director or officer and shall inure to the benefit of the indemnitee’s heirs, executors and administrators. Any amendment, alteration or repeal of this Article VIII that adversely affects any right of an indemnitee or its successors shall be prospective only and shall not limit, eliminate, or impair any such right with respect to any proceeding involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment or repeal.

SECTION 8.06 Insurance. The Corporation may maintain insurance, at its expense, to protect itself and any person who is or was serving as a director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL. Subject to Section 8.04, in the event of any payment by the Corporation under this Article VIII, the Corporation shall be subrogated to the extent of such payment to all of the rights of recovery of the indemnitee with respect to any insurance policy or any other indemnity agreement covering the indemnitee. The indemnitee shall execute all papers required and take all reasonable action necessary to secure such rights, including execution of such documents as are necessary to enable the Corporation to bring suit to enforce such rights in accordance with the terms of such insurance policy. The Corporation shall pay or reimburse all expenses actually and reasonably incurred by the indemnitee in connection with such subrogation.

SECTION 8.07 Indemnification of Employees and Agents of the Corporation. The Corporation may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation, individually or as a group, to the fullest extent of the provisions of this Article VIII with respect to the indemnification and advancement of expenses of directors and officers of the Corporation.

SECTION 8.08 Savings Clause. If this Article VIII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and hold harmless each director and officer of the Corporation as to costs, charges and expenses (including attorneys’ fees), judgments, fines, and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, to the full extent permitted by any applicable portion of this Article VIII that shall not have been invalidated and to the fullest extent permitted by applicable law.

DELL TECHNOLOGIES ANNOUNCES SIGNIFICANT ENHANCEMENTS TO CLASS V TRANSACTION

- Final per share offer of \$120 cash, subject to an increased aggregate cash cap of \$14 billion, or 1.5043-1.8130 Class C shares; increases aggregate implied value to Class V stockholders by approximately \$2.2 billion
- Binding agreements to vote in favor of the enhanced transaction executed with Dodge & Cox, Elliott Management, Canyon Partners and Mason Capital Management, collectively holding approximately 17% of the Class V common stock
- Up to 59% of the total consideration will be payable in cash, increasing certainty of value; variable exchange ratio protects Class V stockholders who receive stock
- More robust corporate governance structure and enhanced Class C stockholder rights, including the ability for Class C stockholders, as a class, to elect an independent director

Dell Technologies today announced that it has agreed with the Dell Technologies Special Committee to amend the proposed Class V common stock transaction to increase the consideration payable to Class V stockholders, following extensive investor outreach and engagement. Under the final proposal, Class V stockholders can elect to receive for each share of Class V common stock either (1) \$120, in cash, subject to an aggregate \$14 billion cap, or (2) between 1.5043 and 1.8130 shares of Class C common stock, determined as described below.

Given there will be no public market for Dell Technologies Class C shares prior to closing, the variable exchange ratio is specifically designed to provide protection to Class V stockholders on the value of the Class C stock consideration. The exchange ratio will be determined based on (1) the volume weighted average trading price of the Class V shares during the 17-day trading period ending on the election deadline, which is the eighth trading day after announcement that stockholders have approved the transaction, and (2) the total amount of cash consideration that is elected. Appendix A to this release provides further information on the calculation of the exchange ratio.

The revised Class V transaction is a result of significant, detailed input from Class V stockholders and the Dell Technologies Special Committee regarding value, consideration mix and corporate governance. An overwhelming number of shareholders contacted by Dell Technologies supported the revised transaction. Funds affiliated with Dodge & Cox, Elliott Management, Canyon Partners and Mason Capital Management, who collectively owned approximately 17% of the total outstanding Class V common stock on the record date for the December 11, 2018 stockholders meeting, have entered into binding agreements to vote in favor of the revised Class V transaction.

The \$120 implied value per share implies a total market capitalization of \$23.9 billion for the Class V common stock. The increase in consideration provides Class V stockholders with an additional \$2.2 billion in aggregate implied value. Immediately following completion of the proposed transaction, the Class V stockholders will own approximately 17%-33% of Dell Technologies, depending on the amount of cash and stock elections and the final exchange ratio.

The \$5 billion increase in the maximum aggregate cash consideration provides those Class V stockholders who would prefer to receive cash with greater value certainty and increases the ability for stockholders to receive their preferred mix of cash and Class C common stock.

Approximately 59% of the consideration, equivalent to approximately \$70 per Class V share, will be payable in cash if all Class V stockholders make cash elections. Dell Technologies expects to fund the increase in the maximum aggregate cash consideration with up to \$5 billion of debt financing. The Company does not expect a ratings downgrade following the incurrence of such financing.

Class V stockholders will continue to have the option to elect Class C common stock, representing a direct economic interest in Dell Technologies, an unmatched technology platform with the most complete portfolio of technology solutions across software, hardware and services. Furthermore, the interests of Class C common stockholders will be aligned with those of Michael Dell and Silver Lake, the two largest holders of Dell Technologies stock who are long-term investors and are focused on driving stockholder value.

Dell Technologies has also enhanced the governance rights associated with the Class C common stock by agreeing that Class C stockholders will have the right, as a class, to elect one director starting at the 2020 annual meeting. Dell Technologies will also establish a Nominating and Corporate Governance Committee, which will select or recommend the Company's nominee for such Class C director. The Board of Directors of Dell Technologies will also select a fourth independent director to be appointed to the Board by June 30, 2019.

Charles Pohl, Chairman of Dodge and Cox, said: "We believe the revised terms announced today align with the best interests of all Class V shareholders. They offer a significantly increased cash consideration and the opportunity to realize long-term potential upside through ongoing ownership of Dell Technologies."

Jesse Cohn, Partner at Elliott Management, said: "We believe this transaction represents a favorable outcome for all Class V stockholders, who will receive greater value certainty through the increased cash component and downside protection on the value of the Class C common stock. Additionally, by simplifying Dell's capital structure, this transaction provides a clear path for Class V stockholders to participate alongside Michael Dell and Silver Lake in what we believe will be substantial stockholder value creation at Dell Technologies over the long term."

Jonathan Heller, a Partner at Canyon, said: "The new terms offer a constructive compromise that we believe benefits all stockholders. The revised deal and the increase in cash consideration for Class V stockholders demonstrate Dell and Silver Lake's positive outlook on the prospects for Dell Technologies' future."

Dell Technologies' Special Committee and Board of Directors have unanimously approved the amended proposal. Dell Technologies' Special Committee, which represents the interests of the Class V stockholders, unanimously recommends that the Class V stockholders vote "FOR" the proposed transaction as it believes the proposed transaction is fair to and in the best interests of the Class V stockholders. The Dell Technologies' Board of Directors unanimously recommends that all stockholders vote "FOR" the proposed transaction as it believes the proposed transaction is fair to and in the best interests of all stockholders.

"We're excited about the opportunity ahead for Dell Technologies and we're excited to share that opportunity with our public investors," said Michael Dell, Chairman and CEO of Dell Technologies. "Dell Technologies has an unmatched portfolio of leading solutions to support customers' digital transformation. We are driving integrated innovation from the edge to the core to the cloud, and we are delivering outstanding financial performance. We put forward a very attractive offer and look forward to the stockholder vote."

Egon Durban, Managing Partner and Managing Director of Silver Lake, commented: “As we have previously stated, Silver Lake remains an enthusiastic long-term stockholder of Dell Technologies. We recently reaffirmed our commitment with the announcement that we have received approval from our investors to complete a fund-to-fund transaction that will allow us to extend our investment horizon in Dell Technologies. We believe Dell Technologies remains an attractive long-term investment opportunity as a result of the dramatic transformation the Company has completed since we initially partnered with Michael more than five years ago.”

David Dorman and William Green of the Special Committee commented: “With the significant increase in value and enhanced deal terms announced today, including at least an additional \$2.2 billion of overall value, an additional \$5 billion in cash consideration, enhanced downside protection through the collared floating exchange ratio and the right to elect a Class C member of the Board of Directors, our conviction in this transaction has grown. Notably, the increased cash consideration to up to \$14 billion represents 59% of the total consideration, substantially increasing certainty of value for DVMT stockholders. The Special Committee, with the support of stockholders representing approximately 17% of shares outstanding, continues to believe that the proposed transaction represents the best option for all Class V stockholders and recommends they approve the transaction.”

Dell Technologies has received commitments from Barclays, BofA Merrill Lynch, Citi, Credit Suisse, Deutsche Bank Securities Inc., affiliates of Goldman, Sachs & Co., J.P. Morgan, Morgan Stanley & Co. LLC, RBC Capital Markets and UBS Investment Bank (in alphabetical order) to provide up to \$5 billion of debt financing. With its robust cash generation, Dell Technologies will continue to benefit from a strong balance sheet and ample financial flexibility following the proposed transaction with \$6.7 billion of cash and investments on its balance sheet (excluding publicly traded subsidiaries and after adjusting for the \$600 million September debt paydown) and approximately \$4 billion in undrawn revolver capacity as of the second quarter of fiscal year 2019. The Company will continue to focus on debt repayment and achieving an investment grade corporate credit rating while making the right investments in the business.

The proposed transaction remains subject to approval by the Class V stockholders representing a majority of the voting power of the outstanding Class V common stock other than those held by affiliates of Dell Technologies. The proposed transaction is also subject to other customary closing conditions. The stockholder vote for this transaction remains scheduled for December 11, 2018 and it is expected to close by the end of 2018.

Appendix A: Calculation of the Exchange Ratio

The exchange ratio will be at least 1.5043 and may be increased under certain circumstances (such increase, the “exchange ratio adjustment”). The exchange ratio adjustment will be a number of shares equal to (a) 0.01998 multiplied by (b) the lesser of (x) \$15.45 and (y) the amount (which

may be zero but, for the avoidance of doubt, not less than zero) by which the volume weighted average trading price of the Class V shares in the 17-day trading period ending on the election deadline is less than \$120.00 multiplied by (c) the lesser of (x) one (1) and (y) a fraction (i) the numerator of which is equal to the aggregate amount of cash consideration elected by Class V holders as of the election deadline and (ii) the denominator of which is equal to \$14,000,000,000. In no event will the exchange ratio be less than 1.5043 nor more than 1.8130.

The exchange ratio adjustment increases as the amount of cash elected to be received by holders of Class V common stock as of the election deadline increases, and will also increase as the volume weighted average trading price of the Class V shares in the 17-day trading period ending on the election deadline decreases. The tables below illustrate the range of possible exchange ratios and corresponding ownership in Dell Technologies of the Class V holders immediately after closing, assuming certain Class V trading prices and cash election amounts as of the election deadline:
