("Dell Technologies") with and into Dell Technologies, with Dell Technologies as the surviving entity, pursuant to which each share of Class V common stock of Dell Technologies will, at the election of the holder, convert into the right to receive shares of Class C common stock of Dell Technologies or cash, without interest, and each existing share of Class A common stock, Class B common stock and Class C common stock of Dell Technologies will be unaffected by the merger and remain outstanding. The proposed transaction requires the approval of a majority of the aggregate voting power of the outstanding shares of Class A common stock, Class B common stock and Class V common stock other than those held by affiliates of Dell Technologies, in each case, voting as a separate class, and all outstanding shares of common stock of Dell Technologies, voting together as a single class, and will be submitted to stockholders for their consideration. Dell Technologies has filed a registration statement on Form S-4 (File No. 333-226618) containing a preliminary proxy statement/prospectus regarding the proposed transaction with the Securities and Exchange Commission ("SEC"). The information in the preliminary proxy statement/prospectus is not complete and may be changed. After the registration statement has been declared effective by the SEC, a definitive proxy statement/prospectus will be mailed to each holder of Class A common stock, Class B common stock, Class C common stock and Class V common stock entitled to vote at the special meeting in connection with the proposed transaction. INVESTORS ARE URGED TO READ THE PROXY STATEMENT/PROSPECTUS AND ANY OTHER DOCUMENTS RELATING TO THE TRANSACTION TO BE FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION.
