The powers of the Board of Directors to determine the Series Terms of a particular series (any of which powers may by resolution of the Board of Directors be specifically delegated to one or more of its committees, except as prohibited by law) shall include, but not be limited to, determination of the following:

- (1) The number of shares constituting that series and the distinctive designation of that series;
- (2) The dividend rate on the shares of that series, whether such dividends, if any, shall be cumulative, and, if so, the date or dates from which dividends payable on such shares shall accumulate, and the relative rights of priority, if any, of payment of dividends on shares of that series;
- (3) Whether that series shall have voting rights, in addition to the voting rights provided by law, and, if so, the terms of such voting rights;
- (4) Whether that series shall have conversion privileges with respect to shares of any other class or classes of stock or of any other series of any class of stock, and, if so, the terms and conditions of such conversion, including provision for adjustment of the conversion rate upon occurrence of such events as the Board of Directors shall determine;

(b) To the fullest extent permitted by the DGCL, any of the Series Terms, including voting rights, of any series may be made dependent upon facts ascertainable outside this Certificate of Incorporation and the Preferred Stock Series Resolution; provided, that the manner in which such facts shall operate upon such Series Terms is clearly and expressly set forth in this Certificate of Incorporation or in the Preferred Stock Series Resolution.

(c) Subject to the provisions of this Article V and to obtaining any required stockholder votes or consents provided for herein or in any Preferred Stock Series Resolution, the issuance of shares of one or more series of Preferred Stock may be authorized from time to time as shall be determined by and for such consideration as shall be fixed by the Board of Directors or a designated committee thereof, in an aggregate amount not exceeding the total number of shares constituting any such series or the total number of shares of Preferred Stock authorized by this Certificate of Incorporation. Except in respect of series particulars fixed by the Board of Directors or its committee as permitted hereby, all shares of Preferred Stock shall be of equal rank and shall be identical, and all shares of any one series of Preferred Stock so designated by the Board of Directors shall be alike in every particular, except that shares of any one series issued at different times may differ as to the dates from which dividends thereon shall be cumulative.

Section 5.2 Common Stock.

There shall be four series of Common Stock created, having the number of shares and the voting powers, preferences, designations, rights, qualifications, limitations or restrictions set forth below:

(a) **Common Stock.** One series of common stock of the Corporation is designated as “Class A Common Stock” consisting of six-hundred million (600,000,000) shares, of the par value of \$0.01 per share (the “Class A Common Stock”); one series of common stock of the Corporation is designated as “Class B Common Stock” consisting of two-hundred million (200,000,000) shares, of the par value of \$0.01 per share (the “Class B Common Stock”); one series of common stock of the Corporation is designated as “Class C Common Stock” consisting of seven billion, nine-hundred million (7,900,000,000) shares, of the par value of \$0.01 per share (the “Class C Common Stock”); and one series of common stock of the Corporation is designated as “Class D Common Stock” consisting of one-hundred million (100,000,000) shares, of the par value of \$0.01 per share (the “Class D Common Stock”).

(b) Dividends. Subject to the provisions of any Preferred Stock Series Resolution:

(1) Dividends on the Common Stock may be declared and paid out of the assets of the Corporation legally available therefor.

(2) Subject to the provisions of any Preferred Stock Series Resolution, if any, outstanding at any time, the holders of Class A Common Stock, the holders of Class B Common Stock, the holders of Class C Common Stock and the holders of Class D Common Stock shall be entitled to share equally, on a per share basis, in such dividends and other distributions of cash, property or shares of stock of the Corporation as may be declared by the Board of Directors from time to time with respect to the Common Stock out of the assets or funds of the Corporation legally available therefor; provided, that in the event that any such dividend is paid in the form of shares of Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Common Stock, the holders of Class A Common Stock shall receive Class A Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class A Common Stock, as the case may be, the holders of Class B Common Stock shall receive Class B Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class B Common Stock, as the case may be, the holders of Class C Common Stock shall receive Class C Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class C Common Stock, as the case may be, and the holders of Class D Common Stock shall receive Class D Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class D Common Stock, as the case may be.

(c) Liquidation and Dissolution.

(1) In the event of a liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and liabilities of the Corporation and payment or provision for payment of any preferential amount due to the holders of any other class or series of stock as to payments upon dissolution of the Corporation, the holders of shares of Common Stock shall be entitled to receive their proportionate interests in the assets of the Corporation remaining for distribution to holders of stock (regardless of the class or series of stock to which such assets are then attributed).

(2) Neither (i) the consolidation or merger of the Corporation with or into any other Person or Persons, (ii) a transaction or series of related transactions that results in the transfer of more than 50% of the voting power of the Corporation nor (iii) the sale, transfer or lease of all or substantially all of the assets of the Corporation shall itself be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this Section 5.2(c).

(d) Subdivisions or Combinations. If the Corporation in any manner subdivides or combines the outstanding shares of any series of Common Stock, the outstanding shares of the other series of Common Stock will be subdivided or combined in the same manner.

(e) Voting Rights. Subject to Article VI, (i) each holder of record of Class A Common Stock shall be entitled to ten (10) votes per share of Class A Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; (ii) each holder of record of Class B Common Stock shall be entitled to ten (10) votes per share of Class B Common Stock which is outstanding in his, her or its name on the books of the Corporation and

which is entitled to vote; (iii) each holder of record of Class C Common Stock shall be entitled to one vote per share of Class C Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; and (iv) each holder of record of Class D Common Stock shall not be entitled to any vote on any matter except to the extent required by provisions of Delaware law (in which case such holder shall be entitled to one vote per share of Class D Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote). Except (A) as may otherwise be provided in this Certificate of Incorporation, or (B) as may otherwise be required by the laws of the State of Delaware, the holders of shares of all series of Common Stock will vote as one class with respect to the election of Group I Directors (as defined below) and with respect to all other matters to be voted on by stockholders of the Corporation; provided, that the holders of Class C Common Stock (and no other series of Common Stock) will vote as one class with respect to the election of the Group IV Director (as defined below). Except as expressly provided herein, no series of Common Stock shall be entitled to vote as a separate series on any matter except to the extent required by provisions of Delaware law. Irrespective of the provisions of Section 242(b)(2) of the DGCL, the holders of shares of Common Stock will vote as one class with respect to any proposed amendment to this Certificate of Incorporation that (i) would increase (x) the number of authorized shares of common stock or any class or series thereof, (y) the number of authorized shares of preferred stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established, or (ii) decrease (x) the number of authorized shares of common stock or any class or series thereof, (y) the number of authorized shares of preferred stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established (but, in each case, not below the number of shares of such class or series of capital stock then outstanding), and no separate class or series vote of the holders of shares of any class or series of capital stock of the Corporation will be required for the approval of any such matter.

(f) Equal Status. Except as expressly provided in this Article V and in Article VI, Class A Common Stock, Class B Common Stock, Class C Common Stock and Class D Common Stock shall have the same rights and privileges and rank equally, share ratably on a per share basis and be identical in all respects as to all matters. Without limiting the generality of the foregoing, (i) in the event of a merger, consolidation or other business combination requiring the approval of the holders of the Corporation's capital stock entitled to vote thereon (whether or not the Corporation is the surviving entity), each holder of Common Stock shall have the right to receive, or the right to elect to receive, the same amount and form of consideration, if any, on a per share basis, as each other holder of Common Stock, and (ii) in the event of (x) any tender or exchange offer to acquire any shares of Common Stock by any third party pursuant to an agreement to which the Corporation is a party or (y) any tender or exchange offer by the Corporation to acquire any shares of Common Stock, pursuant to the terms of the applicable tender or exchange offer, the holders of Common Stock shall have the right to receive, or the right to elect to receive, the same amount or form of consideration on a per share basis as each other holder of Common Stock; provided, that notwithstanding anything herein to the contrary, the holders of Class C Common Stock and the holders of Class D Common Stock may receive non-voting securities or capital stock, or securities or capital stock with differing voting rights or preferences than the holders of Class A Common Stock and/or the holders of Class B Common Stock in connection with a merger, consolidation, other business combination, or tender or exchange offer involving the Corporation.

(g) Senior, Parity or Junior Stock.

(1) Whenever reference is made in this Article V to shares “ranking senior to” another class or series of stock or “on a parity with” another class or series of stock, such reference shall mean and include all other shares of the Corporation in respect of which the rights of the holders thereof as to the payment of dividends or as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation are given preference over, or rank equally with, as the case may be, the rights of the holders of such other class or series of stock. Whenever reference is made to shares “ranking junior to” another class or series of stock, such reference shall mean and include all shares of the Corporation in respect of which the rights of the holders thereof as to the payment of dividends and as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation are junior and subordinate to the rights of the holders of such class or series of stock.

(2) Except as otherwise provided herein or in any Preferred Stock Series Resolution, each series of Preferred Stock shall rank on a parity with each other series of Preferred Stock and each series of Preferred Stock shall rank senior to the Common Stock. Except as otherwise provided herein, each of the Class A Common Stock, the Class B Common Stock, the Class C Common Stock and the Class D Common Stock shall rank on a parity with each other, and, except as otherwise provided in any Preferred Stock Series Resolution, each of the Class A Common Stock, the Class B Common Stock, the Class C Common Stock and the Class D Common Stock shall rank junior to the Preferred Stock.

(h) Reservation and Retirement of Shares.

(1) The Corporation shall at all times reserve and keep available, out of its authorized but unissued shares of Common Stock or out of shares of Common Stock held in its treasury, the full number of shares of Common Stock into which all shares of any series of Preferred Stock having conversion privileges from time to time outstanding are convertible.

(2) Unless otherwise provided in a Preferred Stock Series Resolution with respect to a particular series of Preferred Stock, all shares of Preferred Stock redeemed or acquired (as a result of conversion or otherwise) shall be retired and restored to the status of authorized but unissued shares of Preferred Stock undesignated as to series.

(i) No Preemptive Rights.

Subject to the provisions of any Preferred Stock Series Resolution, no holder of shares of stock of the Corporation shall have any preemptive or other rights, except as such rights are expressly provided by contract, to purchase or subscribe for or receive any shares of any class, or series thereof, of stock of the Corporation, whether now or hereafter authorized, or any warrants, options, bonds, debentures or other securities convertible into, exchangeable for or carrying any right to purchase any shares of any class, or series thereof, of stock of the Corporation; but, subject to the provisions of any Preferred Stock Series Resolution, such additional shares of stock and such warrants, options, bonds, debentures or other securities convertible into, exchangeable for or carrying any right to purchase any shares of any class, or series thereof, of stock may be issued or disposed of by the Board of Directors to such Persons, and on such terms

and for such lawful consideration, as in its discretion it shall deem advisable or as to which the Corporation shall have by binding contract agreed.

(j) Conversion of Class A Common Stock, Class B Common Stock and Class D Common Stock.

(1) At any time and from time to time, (i) any holder of Class A Common Stock or Class B Common Stock shall have the right by written election to the Corporation to convert all or any of the shares of Class A Common Stock or Class B Common Stock, as applicable, held by such holder into shares of Class C Common Stock on a one-to-one basis and (ii) any holder of Class D Common Stock, subject to any legal requirements applicable to such holder (including any applicable requirements under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and any other applicable antitrust laws), shall have the right by written election to the Corporation to convert all or any of the shares of Class D Common Stock held by such holder into shares of Class C Common Stock on a one-to-one basis.

(2) If any such holder seeks to convert any share of Class A Common Stock, Class B Common Stock or Class D Common Stock pursuant to this Section 5.2(j), such written election shall be delivered by certified mail or courier, postage prepaid, to the Corporation or the Corporation's transfer agent. Each such written election shall (i) state the number of shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, elected to be converted and (ii) be accompanied by the certificate or certificates representing the shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, being converted, duly assigned or endorsed for transfer to the Corporation (and, if so required by the Corporation or its transfer agent, accompanied by duly executed instruments of transfer). The conversion of such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, shall be deemed effective as of the close of business on the date of receipt by the Corporation's transfer agent of the certificate or certificates representing such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, and any other instruments required by this Section 5.2(j)(2).

(3) Upon receipt by the Corporation's transfer agent of a written election accompanied by the certificate or certificates representing such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, being converted, duly assigned or endorsed for transfer to the Corporation (and, if so required by the Corporation or its transfer agent, accompanied by duly executed instruments of transfer), the Corporation shall deliver to the relevant holder (i) a certificate in such holder's name (or the name of such holder's designee) for the number of shares of Class C Common Stock (including any fractional share) to which such holder shall be entitled upon conversion of the applicable shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, and (ii) if applicable, a certificate in such holder's name (or the name of such holder's designee) for the number of shares (including any fractional share) of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, represented by the certificate or certificates delivered to the Corporation for conversion but otherwise not elected to be converted pursuant to the written election. All shares of Class C Common Stock issued hereunder by the Corporation shall be validly issued, fully paid and non-assessable.

(4) Notwithstanding anything in this Certificate of Incorporation to the contrary, upon any Transfer of shares of Class A Common Stock or Class B Common Stock to any Person other than (i) a Permitted Transferee of the transferor, (ii) in the case of the Class A Common Stock, (x) in a transfer pursuant to a Qualified Sale Transaction or (y) in connection with the transfer, at substantially the same time, of an aggregate number of shares of Common Stock held by the MSD Partners Stockholders and their Permitted Transferees greater than 50% of the outstanding shares of Common Stock owned by the MSD Partners Stockholders immediately following the closing of the Merger (as adjusted for any stock split, stock dividend, reverse stock split or similar event occurring after the closing of the Merger) to any Person or group of Affiliated Persons or (iii) the case of the Class B Common Stock, in connection with the transfer, at substantially the same time, of an aggregate number of shares of Common Stock held by the transferor and its Permitted Transferees greater than 50% of the outstanding shares of Common Stock owned by the SLP Stockholders immediately following the closing of the Merger (as adjusted for any stock split, stock dividend, reverse stock split or similar event occurring after the closing of the Merger) to any Person or group of Affiliated Persons, the shares so Transferred shall automatically and as a condition to the effectiveness of such Transfer be converted into shares of Class C Common Stock on a one-for-one basis.

(5) The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class C Common Stock, solely for the purpose of issuance upon conversion of outstanding shares of Class A Common Stock, Class B Common Stock and Class D Common Stock, such number of shares of Class C Common Stock that shall be issuable upon the conversion of all such outstanding shares of Class A Common Stock, Class B Common Stock and Class D Common Stock.

(k) **Transfer Taxes.** The Corporation will pay any and all documentary, stamp or similar issue or transfer taxes that may be payable in respect of the issue or delivery of a certificate or certificates representing any shares of capital stock and/or other securities on conversion or redemption of shares of Common Stock pursuant to this Section 5.2. The Corporation will not, however, be required to pay any tax that may be payable in respect of any issue or delivery of a certificate or certificates representing any shares of capital stock in a name other than that in which the shares of Common Stock so converted or redeemed were registered and no such issue or delivery will be made unless and until the Person requesting the same has paid to the Corporation or its transfer agent the amount of any such tax, or has established to the satisfaction of the Corporation or its transfer agent that such tax has been paid.

ARTICLE VI

(a) The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

(b) The Board of Directors shall consist of:

(1) The Group I directors (the “Group I Directors”). The holders of Common Stock (other than the holders of Class D Common Stock), voting together as a single class, shall be entitled to elect, vote to remove or fill any vacancy in respect of any Group I Director. The number of Group I Directors shall not be less than three (3) nor more than twenty (20) as shall be determined in accordance with the Bylaws. Any newly-created directorship on the Board of

Directors with respect to the Group I Directors that results from an increase in the number of Group I Directors may be filled by the affirmative vote of a majority of the Board of Directors then in office, provided, that a quorum is present, and any other vacancy occurring on the Board of Directors with respect to the Group I Directors may be filled by the affirmative vote of a majority of the Board of Directors then in office, even if less than a quorum, or by a sole remaining director. A majority of the Common Stock (other than the Class D Common Stock), voting together as a single class, shall be entitled remove any Group I Director with or without cause at any time. Each Group I Director shall be entitled to cast one (1) vote.

(2) The holders of Class C Common Stock shall have the right, voting separately as a series, to elect one (1) director (the “Group IV Director”), and, voting separately as a series, shall solely be entitled to vote to remove any Group IV Director. In connection with each annual meeting of the stockholders of the Corporation, the Board of Directors will nominate one nominee as the Group IV Director, whose election will be subject to such vote of the holders of the Class C Common Stock, voting separately as a series. In the case of any vacancy occurring with respect to the Group IV Director, such vacancy may be filled by the affirmative vote of a majority of the Board of Directors then in office until the next annual meeting of stockholders of the Corporation or until the Group IV Director’s earlier removal. The holders of Class C Common Stock, voting separately as a series, shall be entitled to remove the Group IV Director with or without cause at any time. The Group IV Director shall be entitled to cast one (1) vote.

(c) No stockholders of the Corporation other than the holders of the Class C Common Stock shall be entitled to vote with respect to the election or the removal without cause of the Group IV Director. At any meeting held for the purpose of electing directors, (i) the presence in person or by proxy of the holders of a majority in voting power of the outstanding shares of Common Stock shall be required, and shall be sufficient, to constitute a quorum for the election of the Group I Directors and (ii) the presence in person or by proxy of the holders of a majority of the outstanding shares of Class C Common Stock shall be required, and shall be sufficient, to constitute a quorum of such series for the election of the Group IV Director by such series. At any such meeting or adjournment thereof, the absence of a quorum of any of the holders of the Class C Common Stock shall not prevent the election of directors other than the Group IV Director and the absence of a quorum or quorums of the holders of capital stock of the Corporation entitled to elect such other directors shall not prevent the election of the Group IV Director.

ARTICLE VII

Elections of the members of the Board of Directors shall be held annually at the annual meeting of stockholders and each director shall be elected for a term commencing on the date of such director’s election and ending on the earlier of (i) the date such director’s successor is elected and qualified and (ii) the date of such director’s death, resignation, disqualification or removal. Elections of the members of the Board need not be by written ballot unless the Bylaws shall so provide.

ARTICLE VIII

Any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing,

setting forth the actions to be so taken, shall be signed by both (i) the holders of stock of the Corporation having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of stock of the Corporation entitled to vote thereon were present and voted and (ii) each of the holders of a majority of the Common Stock beneficially owned by the MD Stockholders and a majority of the Common Stock beneficially owned by the SLP Stockholders, if any, that are stockholders at such time, and shall be delivered to the Corporation by delivery to its principal place of business or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings are recorded.

ARTICLE IX

Subject to any limitations set forth in this Certificate of Incorporation and to obtaining any required stockholder votes or consents required hereby, the Board of Directors is expressly authorized to amend, alter or repeal the Bylaws or adopt new Bylaws, without any action on the part of the stockholders; provided, that Bylaws adopted or amended by the Board of Directors and any powers thereby conferred may be amended, altered or repealed by the stockholders subject to any limitations set forth in this Certificate of Incorporation.

ARTICLE X

(a) A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for such liability as is expressly not subject to limitation under the DGCL, as the same exists or may hereafter be amended to further limit or eliminate such liability. Moreover, the Corporation shall, to the fullest extent permitted by law, indemnify any and all officers and directors of the Corporation, and may, to the fullest extent permitted by law or to such lesser extent as is determined in the discretion of the Board of Directors, indemnify any and all other persons whom it shall have power to indemnify, from and against all expenses, liabilities or other matters arising out of their status as such or their acts, omissions or services rendered in such capacities.

(b) Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a “proceeding”), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was or has agreed to become a director or officer of the Corporation or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another Corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving or having agreed to serve as a director or officer, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended, (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than such law permitted the Corporation to provide prior to such amendment) against all expense, liability and loss (including, without limitation, attorneys’ fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to serve in the capacity which initially entitled such person to indemnity hereunder and

shall inure to the benefit of his or her heirs, executors and administrators; provided, that the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors. The right to indemnification conferred in this Article X shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, further, that, if the DGCL requires, the payment of such expenses incurred by a current, former or proposed director or officer in his or her capacity as a director or officer or proposed director or officer (and not in any other capacity in which service was or is or has been agreed to be rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such indemnified person, to repay all amounts so advanced if it shall ultimately be determined that such indemnified person is not entitled to be indemnified under this Article X or otherwise.

(c) The Corporation may, by action of its Board of Directors, provide indemnification to employees and agents of the Corporation, individually or as a group, with the same scope and effect as the indemnification of directors and officers provided for in this Article X.

(d) If a written claim for advancement and payment of expenses received by the Corporation from or on behalf of an indemnified party under this Article X is not paid in full by the Corporation within ninety days after such receipt, or if a written claim for indemnification following final disposition of the applicable proceeding received by the Corporation by or on behalf of an indemnified party under this Article X is not paid in full by the Corporation within ninety days after such receipt, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the DGCL for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(e) The right to indemnification and the advancement and payment of expenses conferred in this Article X shall not be exclusive of any other right which any person may have or hereafter acquire under any law (common or statutory), provision of this Certificate of Incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

(f) The Corporation may purchase and maintain insurance, at its expense, to protect itself and any person who is or was serving as a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of

another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

(g) If this Article X or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and hold harmless each director and officer of the Corporation as to costs, charges and expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, to the full extent permitted by any applicable portion of this Article X that shall not have been invalidated and to the fullest extent permitted by applicable law.

ARTICLE XI

To the fullest extent permitted by the DGCL and subject to any express agreement that may from time to time be in effect, the Corporation acknowledges and agrees that any Covered Person may, and shall have no duty not to, (i) invest in, carry on and conduct, whether directly, or as a partner in any partnership, or as a joint venturer in any joint venture, or as an officer, director, stockholder, equityholder or investor in any Person, or as a participant in any syndicate, pool, trust or association, any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the Corporation or any of its Subsidiaries, (ii) do business with any client, customer, vendor or lessor of any of the Corporation or its Affiliates, and/or (iii) make investments in any kind of property in which the Corporation may make investments. To the fullest extent permitted by the DGCL, the Corporation hereby renounces any interest or expectancy in any potential transaction or matter of which the Covered Person acquires knowledge, except for any corporate opportunity which is expressly offered to a Covered Person in writing solely in his or her capacity as an officer or director of the Corporation or any Subsidiary, and waives any claim against each Covered Person and shall indemnify a Covered Person against any claim, that such Covered Person is liable to the Corporation, any Subsidiary or their respective stockholders for breach of any fiduciary duty solely by reason of the fact that such Covered Person (A) pursues or acquires any corporate opportunity for its own account or the account of any Affiliate or other Person, (B) directs, recommends, sells, assigns or otherwise transfers such corporate opportunity to another Person or (C) does not communicate information regarding such corporate opportunity to the Corporation or such Subsidiary; provided, in each such case, that any corporate opportunity which is expressly offered to a Covered Person in writing solely in his or her

ARTICLE XII

(a) Subject to obtaining any required stockholder votes or consents provided for herein or in any Preferred Stock Series Resolution, the Corporation shall have the right, from time to time, to amend this Certificate of Incorporation or any provision thereof in any manner now or hereafter provided by law, and all rights and powers of any kind conferred upon a director or stockholder of the Corporation by this Certificate of Incorporation or any amendment thereof are conferred subject to such right.

(c) Notwithstanding anything herein to the contrary, the affirmative vote of the holders of a majority of the then issued and outstanding shares of Class C Common Stock shall be required for any amendment, alteration or repeal (including by merger, consolidation or otherwise by operation of law) of paragraph (b)(2) of Article VI that would have a material adverse effect on the powers or special rights of the Class C Common Stock pursuant to such paragraph.

ARTICLE XIII

Unless the Corporation consents in writing to the selection of an alternative forum, (i) the sole and exclusive forum for (A) any derivative action or proceeding brought on behalf of the Corporation, (B) any action asserting a claim of breach of a fiduciary duty owed by any director or officer or stockholder of the Corporation to the Corporation or the Corporation's stockholders, (C) any action asserting a claim against the Corporation or any director or officer or stockholder of the Corporation arising pursuant to any provision of the DGCL or this Certificate of Incorporation or the Bylaws, or (D) any action asserting a claim against the Corporation or any director or officer or stockholder of the Corporation governed by the internal affairs doctrine, shall be a state court located within the State of Delaware (or, if no state court located within the State of Delaware has jurisdiction, the federal district court for the District of Delaware), and (ii) the federal district courts of the United States shall be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act.
